* Italized song titles indicate Lola’s favorites
BROADWAY

1 - ONE – A Chorus Line
One, Singular sensation Ev'ry little step she takes.
One, Thrilling combination Ev'ry move that she makes.
One smile and suddenly nobody else will do.
You know you'll never be lonely with you-know-who.
One, moment in her presence and you can forget the rest,
For the girl is second best to none, son.
Ooh! Sigh! Give her your attention.
Do I really have to mention? She's the one!
Repeat -

2 - WHAT I DID FOR LOVE – A Chorus Line
Kiss today goodbye, the sweetness and the sorrow.
Wish me luck, the same to you.
But I can't regret, what I did for love, what I did for love.

Look my eyes are dry, the gift was ours to borrow.
It's as if we always knew,
And I won't forget what I did for love, What I did for love.

Gone, love is never gone. as we travel on, love's what we'll remember.

Kiss today goodbye, and point me t'ward tomorrow.
We did what we had to do.
Won't forget, can't regret what I did for Love

3- MEAN TO ME – Ain’t Misbehavin’
You're mean to me, why must you be mean to me?
Gee, honey, it seems to me you love to see me cryin'
I don't know why
I stay home each night when you say you phone
You don't and I'm left alone. singin’ the blues and sighin'
You treat me coldly each day in the year
You always scold me whenever somebody is near, dear
It must be great fun to be mean to me, you shouldn't, for can't you see
What you mean to me

4 - I CAN'T GIVE YOU ANYTHING BUT LOVE – Ain’t Misbehavin
I can't give you anything but love, baby
That's the only thing I've plenty of, baby
Dreamin’ a while, schemin’ a while we're sure to find
Happiness and I guess all those things you've always pined for
Gee, I'd like to see you looking swell, baby
Diamond bracelets Woolworth doesn't sell, baby
Till that lucky day, you know darned well, baby
I can't give you anything but love

5 - MAYBE – Annie
Maybe far away or maybe real nearby
Brunch Hymnal

He may be pouring her coffee, She may be straightening his tie.
Maybe in a house all hidden by a hill
She's sitting playing piano, He's sitting paying a bill!

Betcha they're young, betcha they're smart
Bet they collect things like ashtrays, and art!
Betcha they're good -- (Why shouldn't they be?)
Their one mistake was giving up me!

So maybe now it's time, and maybe when I wake
They'll be there calling me "Baby"...
Maybe.

Betcha he reads, betcha she sews
Maybe she's made me a closet of clothes!
Maybe they're strict as straight as a line...
Don't really care as long as they're mine!

So maybe now this prayer's the last one of it's kind...
Won't you please come get your "Baby"
Maybe...

6 - IT’S A HARD KNOCK LIFE – Annie
It's the hard-knock life for us!, It's the hard-knock life for us!
'Steada treated, we get tricked!
‘Steada kisses, we get kicked!
It's the hard-knock life!

Got no folks to speak of, so, it's the hard-knock row we hoe!
Cotton blankets, 'steada of wool!
Empty Bellies ‘steada of full!
It's the hard-knock life!

Santa Claus we never see, Santa Claus, what's that? Who's he?
No one cares for you a smidge when you're in an orphanage!

It's the hard-knock life for us, It's the hard-knock life for us
No one cares for you a smidge
When your in an orphanage
It's the hard-knock life
It's the hard-knock life
It's the hard-knock life!

_7 – TOMMOROW – Annie_
The sun'll come out tomorrow
Bet your bottom dollar That tomorrow there'll be sun!

Just thinkin' about tomorrow
Brunch Hymnal

Clears away the cobwebs, and the sorrow ‘til there's none!

When I'm stuck with a day that's gray, and lonely,
I just stick out my chin and grin, and say, Oh!

The sun'll come out tomorrow
So ya gotta hang on 'til tomorrow come what may
Tomorrow! Tomorrow! I love ya Tomorrow!
You're always a day away!

8 - DOIN’ WHAT COMES NATUR’LLY – Annie Get Your Gun
Folks are dumb where I come from, they ain't had any learning.
Still they're happy as can be doin' what comes naturally!
Folks like us could never fuss with schools and books and learning.
Still we've gone from A to Z, doin' what comes naturally!

If you saw my pa and ma, you'd know they had no learning,
Still they've raised a family doin' what comes naturally!
Cousin Jack has never read an almanac on drinking
Still he's always on the spree doin' what comes naturally!

Sister Sal who's musical has never had a lesson, still she's learned to
sing off-key
Doin' what comes naturally!
Brunch Hymnal

Grandpa Bill is on the hill with someone he just married.
There he is at ninety-three,
Doin' what comes naturally!

9 – I GOT THE SUN IN THE MORNING – Annie Get Your Gun

Got no diamond, got no pearl, still I think I'm a lucky girl.
I've got the sun in the morning and the moon at night.
Got no mansion, got no yacht, still I'm happy with what I got.
I've got the sun in the morning and the moon at night
Sunshine gives me a lovely day, moonlight gives me the Milky Way.
Got no checkbooks, got no banks, still, I'd like to express my thanks.
I've got the sun in the morning and the moon at night.
And with the sun in the morning
And the moon in the evening, I'm alright.
And with the sun in the morning and the moon in the evening
I'm alright!!

10 – THERE’S NO BUSINESS LIKE SHOW BUSINESS – Annie Get Your Gun

There's no business like show business like no business I know

Everything about it is appealing
Everything the traffic will allow
No where could you have that happy feeling
When you are stealing that extra bow
There's no people like show people
They smile when they are low
Yesterday they told you you would not go far
That night you opened and there you are
Next day on your dressing room they've hung a star
Let's go on with the show
Let's go on with the show!

11 - IT’S DE-LOVELY – Anything Goes
The night is young, the skies are clear so if you want to go walking, dear,
It's delightful, it's delicious, it's de-lovely.
I understand the reason why you're sentimental, 'cause so am I,
It's delightful, it's delicious, it's de-lovely.

You can tell at a glance what a swell night this is for romance,
You can hear dear Mother Nature murmuring low,
"Let yourself go!"

So please be sweet, my chickadee, and when I kiss you, just say to me,
"It's delightful, it's delicious,
It's delectable, it's delirious,
It's dilemma, it's delimit, it's deluxe,
It's de-lovely".
-Repeat
12 – THE LADY IS A TRAMP – Babes in Arms
I get too hungry for dinner at eight, I like the theatre but never come late
I never bother with people I hate, that's why the lady is a tramp!

I don't like crap games with Barons and Earls, won't go to Harlem in ermine and pearls
Won't dish the dirt with the rest of the girls, that's why the lady is a tramp!

I like the free fresh wind in my hair, life without care, I'm broke, it's oke!

Hates california is cold and is damp, that's why the lady is a tramp

13 – BEAUTY AND THE BEAST – Beauty and the Beast
Tale as old as time, True as it can be,
Barely even friends, Then somebody bends, unexpectedly.
Just a little change, small to say the least, both a little scared
Neither one prepared, Beauty and the Beast.

Ever just the same...Ever a surprise,...Ever as before... Ever just as sure...
As the sun will rise.
Tale as old as time, Tune as old as song, Bittersweet and strange
Finding you can change, Learning you were wrong.
Certain as the sun, Rising in the east
Tale as old as time, Song as old as rhyme
Beauty and the Beast.
Tale as old as time
Song as old as rhyme
Beauty and the Beast.

14 - BE OUR GUEST – Beauty and the Beast
Be our guest! Be our guest! Put our service to the test
Tie your napkin 'round your neck, cherie and we provide the rest
Soup du jour, Hot hors d'oeuvres
Why, we only live to serve
Try the grey stuff, it's delicious. Don't believe me? Ask the dishes
They can sing, they can dance after all, Miss, this is France
And a dinner here is never second best
Go on, unfold your menu
Take a glance and then you'll
Be our guest
Oui, our guest
Be our guest!

Be our guest! Be our guest! Get your worries off your chest
Brunch Hymnal

Let us say for your entrée we've an array; may we suggest:
Try the bread! Try the soup! When the croutons loop de loop
It's a treat for any diner
Don't believe me? Ask the china

Singing pork! Dancing veal! What an entertaining meal!
How could anyone be gloomy and depressed? We'll make you shout "encore!"
And send us out for more
So, be our guest!
Be our guest!
Be our guest!
Please, be our guest!

15 – JUST IN TIME – Bells are Ringing
Just in time, I found you just in time, Before you came my time Was running low
I was lost, The losing dice were tossed, My bridges all were crossed
Nowhere to go...

Now you're here and now I know just where I'm going
No more doubt or fear, I found my way
For love came just in time You found me just in time
And saved my lonely life that lovely day...
16 – PUT ON A HAPPY FACE – Bye Bye Birdie
Gray skies are gonna clear up,
Put on a happy face!
Brush off the clouds and cheer up,
Put on a happy face!

Take off that gloomy mask of tragedy,
It's not your style.
You'll look so good that you'll be glad ya decided to smile!

Pick out a pleasant outlook,
Stick out that noble chin,
Wipe off that full-of-doubt look,
Slap on a happy grin!
And spread sunshine all over the place, just
Put on a happy face!

17 – KIDS – Bye Bye Birdie
Kids!
I don't know what's wrong with these kids today!
Kids!
Who can understand anything they say?
Kids!
They a disobedient, disrespectful oafs!
Noisy, crazy, dirty, lazy, loafers!
While we're on the subject:

Kids!

You can talk and talk till your face is blue!

Kids!

But they still just do what they want to do!

Why can't they be like we were,

Perfect in every way?

What's the matter with kids today?

18 – CAMELOT – Camelot

A law was made a distant moon ago here:

July and August cannot be too hot.

And there's a legal limit to the snow here

In Camelot.

The winter is forbidden till December

And exits March the second on the dot.

By order, summer lingers through September

In Camelot.

Camelot! Camelot!

I know it sounds a bit bizarre,

But in Camelot, Camelot

That's how conditions are.

The rain may never fall till after sundown.

By eight, the morning fog must disappear.

In short, there's simply not
A more congenial spot  
For happily-ever-aftering than here  
In Camelot.

Camelot! Camelot!  
I know it gives a person pause,  
But in Camelot, Camelot  
Those are the legal laws.  
The snow may never slush upon the hillside.  
By nine p.m. the moonlight must appear.  
In short, there's simply not  
A more congenial spot  
For happily-ever-aftering than here  
In Camelot.

19 – IF EVER I WOULD LEAVE YOU - Camelot  
If ever I would leave you  
It wouldn't be in summer.  
Seeing you in summer I never would go.  
Your hair streaked with sun-light,  
Your lips red as flame,  
Your face with a lustre  
that puts gold to shame!
But if I'd ever leave you,
It couldn't be in autumn.
How I'd leave in autumn I never will know.
I've seen how you sparkle
When fall nips the air.
I know you in autumn
And I must be there.

And could I leave you
running merrily through the snow?
Or on a wintry evening
when you catch the fire's glow?

If ever I would leave you,
How could it be in spring-time?
Knowing how in spring I'm bewitched by you so?
Oh, no! not in spring-time!
Summer, winter or fall!
No, never could I leave you at all!

20– YOU’LL NEVER WALK ALONE – Carousel
When you walk through a storm
Hold your head up high
And don't be afraid of the dark.
At the end of the storm
Is a golden sky
And the sweet silver song of a lark.

Walk on through the wind,
Walk on through the rain,
Tho' your dreams be tossed and blown.
Walk on, walk on
With hope in your heart
And you'll never walk alone,
You'll never walk alone.

21 – MEMORY – Cats
Midnight
Not a sound from the pavement
Has the moon lost her memory?
She is smiling alone
In the lamplight
The withered leaves collect at my feet
And the wind begins to moan

Memory
All alone in the moonlight
I can smile at the old days
I was beautiful then
Brunch Hymnal

I remember the time I knew what happiness was
Let the memory live again
Every streetlamp
Seems to beat a fatalistic warning
Someone mutters
And the streetlamp gutters
And soon it will be morning

Daylight
I must wait for the sunrise
I must think of a new life
And I musn't give in
When the dawn comes
Tonight will be a memory too
And a new day will begin
Burnt out ends of smoky days
The stale cold smell of morning
The street lamp dies, another night is over
Another day is dawning

Touch me
It's so easy to leave me
All alone with the memory
Of my days in the sun
If you touch me
You'll understand what happiness is
Look - A new day has begun

22 – EMBRACEABLE YOU – Crazy for You
Embrace me,
My sweet embraceable you,
Embrace me,
My irreplaceable you
Just one look at you -- my heart grew tipsy in me.
You and you alone bring out the gypsy in me.
I love all
The many charms about you;
Above all I want my arms about you!
Don't be a naughty baby
Come to Polly -- come to Polly -- do!
My sweet embraceable you.

23 – SOMEONE TO WATCH OVER ME – Crazy for You
There's a saying old
Says that love is blind -
Still we're often told,
"Seek and ye shall find."
So I'm going to seek
A certain lad I've had in mind.
Brunch Hymnal

Looking everywhere,
Haven't found him yet;
He's the big affair
I cannot forget.
Only man I ever
Think of with regret.
I'd like to add his initials to my monogram.
Tell me, where is the shepherd for this lost lamb.
There's a somebody I'm longing to see
I hope that he
Turns out to be
Someone who'll watch over me.
I'm a little lamb who's lost in the wood.
I know I could
Always be good
To one who'll watch over me.
Although he may not be the man some
Girls think of as handsome
To my heart he carries the key.
Won't you tell him please to put on some speed -
Follow my lead -
Oh! How I need
Someone to watch over me.
Someone to watch over me.
What Ever Lola Wants

Lola gets
And little man, little Lola wants you
Amke up your mind to have no regrets
Recline yourself, resign yourself, you're through
I always get what I aim for
And your heart'n soul is what I came for

Whatever Lola wants
Lola gets,
Take off your coat
Don't you know you can't win?
You're no exception to the rule,
I'm irresistible, you fool, give in!...Give in!...Give in!

Hello, Joe
It's me
He hits so far
-hold on-that's you
Aaah-haaaaaa
Poo poo pa doop
Peek-a-boo
Yoo-hoo

I always get what I aim for
And you heart'n soul is what I came for
...Lola wants
...Lola gets
...You'll never win
I'm irresistible, you fool,
Give in...Give in...Give in.

25 – TRY TO REMEMBER – The Fantastics
Try to remember the kind of September
When life was slow and oh, so mellow.
Try to remember the kind of September
When grass was green and grain was yellow.
Try to remember the kind of September
When you were a tender and callow fellow.
Try to remember, and if you remember,
Then follow.

Try to remember when life was so tender
That no one wept except the willow.
Try to remember when life was so tender
That dreams were kept beside your pillow.
Brunch Hymnal

Try to remember when life was so tender
That love was an ember about to billow.
Try to remember, and if you remember,
Then follow, follow, follow, follow, follow...

Deep in December, it's nice to remember,
Although you know the snow will follow.
Deep in December, it's nice to remember,
Without a hurt the heart is hollow.
Deep in December, it's nice to remember,
The fire of September that made us mellow.
Deep in December, our hearts should remember
And follow, follow, follow, follow, follow...

26 – IF I WERE A RICH MAN – Fiddler on the Roof
If I were a rich man,
Ya ha deedle deedle, bubba bubba deedle deedle dum.
All day long I'd biddy biddy bum.
If I were a wealthy man.

Wouldn't have to work hard.
Ya ha deedle deedle, bubba bubba deedle deedle dum.
If I were a biddy biddy rich,
Yidle-diddle-didle-didle man.
I'd build a big tall house with rooms by the dozen,
Right in the middle of the town.
A fine tin roof with real wooden floors below.
There would be one long staircase just going up,
And one even longer coming down,
And one more leading nowhere, just for show.

If I were a rich man,
Ya ha deedle deedle, bubba bubba deedle deedle dum.
All day long I'd biddy biddy bum.
If I were a wealthy man.
I wouldn't have to work hard.
Ya ha deedle deedle, bubba bubba deedle deedle dum.
If I were a biddy biddy rich,
Yidle-diddle-didle-didle man.

How are things in Glocca Morra? Is that little brook still leaping there?
Does it still run down to Donny cove? Through Killybegs, Kilkerry and Kildare?

How are things in Glocca Morra? Is that willow tree still weeping there?
Brunch Hymnal

Does that laddie (lassie) with the twinklin' eye Come whistlin' (smilin') by
And does he (she) walk away, Sad and dreamy there not to see me there?
So I ask each weepin' willow And each brook along the way,
And each lad (lass) that comes a-whistlin' (a-sighin') Tooralay
How are things in Glocca Morra
This fine day?

Day by day
Day by day
Day by day

Oh Dear Lord

Three things I pray
To see thee more clearly
Love thee more dearly
Follow thee more nearly
Day by day

Day by day
Day by day, Day by day, Day by day, by day, by day

Guess mine is not the first heart broken,
my eyes are not the first to cry I'm not the first to know,
there's just no gettin' over you
Hello, I'm just a fool who's willing to sit around
and wait for you
But baby can't you see, there's nothin' else
for me to do I'm hopelessly devoted to you
But now there's nowhere to hide,
since you pushed my love aside I'm not in my head,
hopelessly devoted to you
Hopelessly devoted to you,
hopelessly devoted to you
My head is saying "fool, forget him",
my heart is saying "don't let go"
Hold on to the end, that's what I intend to do
I'm hopelessly devoted to you
But now there's nowhere to hide,
since you pushed my love aside I'm not in my head,
hopelessly devoted to you
Hopelessly devoted to you,
hopelessly devoted to you

30 – SUMMER NIGHTS – Grease
Summer lovin' had me a blast
Summer lovin', happened so fast
Brunch Hymnal

I met a girl crazy for me
I met a boy, cute as can be

Summer days driftin' away,
To uh-oh those summer nights
Well-a, Well-a, Well-a, uh
Tell me more, tell me more,
Did you get very far?
Tell me more, tell me more,
Like, does he have a car?

She swam by me, she got a cramp
He went by me, got my suit damp
I saved her life, she nearly drowned
He showed off, splashing around
Summer sun, something's begun,
But uh-oh those summer nights

Well-a, Well-a, Well-a, uh
Tell me more, tell me more,
Was it love at first sight?
Tell me more, tell me more,
Did she put up a fight?
Took her bowlin' in the Arcade
We went strollin', drank lemonade
We made out under the dock
we stayed up til ten o'clock

Summer fling don't mean a thing,
But uh-oh those summer nights

Well-a, Well-a, Well-a, uh
Tell me more, tell me more,
But you don't gotta brag
Tell me more, tell me more,
Cause he sounds like a drag

He got friendly, holdin' my hand
Well she got friendly, down in the sand
He was sweet, just turned eighteen
Well she was good, you know what I mean

Summer heat, boy and girl meet,
But uh-oh those summer nights
Tell me more, tell me more,
How much dough did he spend?
Tell me more, tell me more,
Brunch Hymnal

Could she get me a friend?

It turned colder, that's where it ends
So I told her we'd still be friends
Then we made our true love vow
Wonder what she's doin' now

Summer dreams ripped at the seams,
But oh, those summer nights

**31 – THERE ARE WORSE THINGS I COULD DO – Grease**
There are worse things I could do,

than go with a boy or two
Even though the neighborhood thinks
I'm trashy and no good I suppose it could be true,

but there are worse things I could do
I could stay every night, wait around for Mr. Right
Take Cold showers every day, and through my life away

for a dream that won't come true, I could hurt someone like me
out of spite or jealousy, I don't steal and I don't lie, but I can feel and I cry

In fact I'll bet you never knew, but to cry in front of you,
that's the worse thing I could do.

I could flirt with all the guys, smile at them and bat my eyes.
Brunch Hymnal

Press against them when we dance,
make them think they stand a chance
and then refuse to see it through,
that's the thing I'd never do. I can stay home every night
Wait around for Mr. Right, take cold showers everyday,
and throw my life away, on a dream that won't come true
I could hurt someone like me, out of spite or jealously,
I don't steal and I don't lie, but I can feel and I cry
In fact I'll bet you never knew, but to cry in front of you,
that's the worse thing I could do.

32 – IF I WERE A BELL – Guys and Dolls
Ask me how do I feel
Ask me now that we're cozy and clinging
Well sir, all I can say, is if I were a bell I'd be ringing!

From the moment we kissed tonight
That's the way I've just gotta behave
Boy, if I were a lamp I'd light
And If I were a banner I'd wave!

Ask me how do I feel, little me with my quiet upbringing
Well sir, all I can say is if I were a gate I'd be swinging!
And if I were a watch I'd start popping my springs!
Brunch Hymnal

Or if I were a bell I'd go ding dong, ding dong ding!

Ask me how do I feel from this chemistry lesson I'm learning. 
Well sir, all I can say is if I were a bridge I'd be burning!

Yes, I knew my moral would crack
From the wonderful way that you looked!
Boy, if I were a duck I'd quack!
Or if I were a goose I'd be cooked!

Ask me how do I feel, ask me now that we're fondly caressing
Well, if I were a salad I know I'd be splashing my dressing
Or if I were a season, I'd surely be spring
Or, if I were a bell I'd go ding dong, ding dong ding!

33 – I’VE NEVER BEEN IN LOVE BEFORE – Guys and Dolls
I've never been in love before
Now all at once it's you
It's you forever more.

I've never been in love before
I thought my heart was safe
I thought I knew the score
But this is wine that's all too strange and strong
I'm full of foolish song
And out my song must pour
So please forgive this helpless haze I'm in
I've really never been
In love before.

I've never been in love before
Now all at once it's you
It's you forever more.
I've never been in love before
I thought my heart was safe
I thought I knew the score
But this is wine that's all too strange and strong
I'm full of foolish song
And out my song must pour

So please forgive this helpless haze I'm in
I've really never been
In love before.

34 – LUCK BE A LADY – Guys and Dolls
Luck be a lady tonight
Luck if you've ever been a lady to begin with
Luck be a lady tonight.
Brunch Hymnal

Luck let a gentleman see
How nice a dame you can be
I've seen the way you've treated other guys you've been with
 Luck be a lady with me.

A lady doesn't leave her escort
It isn't fair, it isn't nice
A lady doesn't wander all over the room
And blow on some other guy's dice.
So let's keep the party polite
Never get out of my sight
Stick with me baby, I'm the fellow you came in with
 Luck be a lady
 Luck be a lady
 Luck be a lady
 Luck be a lady tonight.

Luck be a lady tonight.
 Luck be a lady tonight.
 Luck, if you've ever been a lady to begin with
 Luck be a lady tonight.

Luck let a gentleman see
How nice a dame you can be
Brunch Hymnal

I know the way you've treated other guys you've been with
Luck be a lady, a lady, be a lady with me.
Luck be a lady with me

So let's keep the party polite
Let's keep the party polite
Never get out of my sight
Stick with me, baby, I'm the fellow you came in with
Luck be a lady
Luck be a lady
Luck be a lady tonight.

35 – TOGETHER WHEREVER WE GO – Gypsy
Wherever we go, whatever we do,
we're gonna go through it together.
We may not go far, but sure as a star,
wherever we are, it's together.

Wherever I go I know he goes.
Wherever I go I know she goes.
No fits, no fights, no feuds
and no egos, Amigos, together!

Through thick and through thin,
all out or all in.
And whether it's win, place or show.
With you for me and me for you,
we'll muddle through whatever we do.
Together, wherever we go.

_36 – AQUARIUS - Hair_
When the moon is in the Seventh House
And Jupiter aligns with Mars
Then peace will guide the planets
And love will steer the stars

This is the dawning of the age of Aquarius
The age of Aquarius
Aquarius!
Aquarius!

Harmony and understanding
Sympathy and trust abounding
No more falsehoods or derisions
Golden living dreams of visions
Mystic crystal revalation
And the mind's true liberation
Aquarius!
Aquarius!

When the moon is in the Seventh House
And Jupiter aligns with Mars
Then peace will guide the planets
And love will steer the stars

This is the dawning of the age of Aquarius
The age of Aquarius
Aquarius!
Aquarius!

37 – GOOD MORNING BALTIMORE – Hairspray
Oh, oh, oh
Woke up today
Feeling the way i always do
Oh, oh, oh
Hungry for something
That i can't eat
Then i hear that beat
The rhythm of town
Starts calling me down
It's like a message from
High above
Oh, oh, oh
Pulling me out
To the smiles and the
Streets that i love

Good morning Baltimore
Every day's like an open door
Every night is a fantasy
Every sound's like a symphony

Good morning Baltimore
And some day when i take to the floor
The world's gonna wake up and see
Baltimore and me

Oh, oh, oh
Look at my hair
What "do" can compare with mine today?
Oh, oh, oh,
I've got my hairspray and radio
I'm ready to go

The rats on the street
All dance round my feet
They seem to say
"Tracy, it's up to you"

So, oh, oh

Don't hold me back

'Cause today all my dreams will come true

Good morning Baltimore

There's the flasher who lives next door

There's the bum on his bar room stool

They wish me luck on my way to school

Good morning Baltimore

And some day when i take to the floor

The world's gonna wake up and see

Baltimore and me

I know every step

I know every song

I know there's a place where i belong

I see all those party lights shining ahead

So someone invite me

Before i drop dead!

So, Oh, Oh
Brunch Hymnal

Give me a chance
'Cause when i start to dance i'm a movie star
Oh, oh, oh
Something inside of me makes me move
When i hear the groove

My ma tells me no
But my feet tell me go!
It's like a drummer inside my heart
Oh, oh, oh
Don't make me wait
One more moment for my life to start...

I love you Baltimore
Every day's like an open door
Every night is a fantasy
Every sound's like a symphony

And i promise Baltimore
That some day when
I take to the floor
The world's gonna wake up and see
Gonna wake up and see
Baltimore and me...
Baltimore and me...
Baltimore and me!

38 – BEFORE THE PARADE PASSES BY – Hello Dolly
Before the parade passes by
I've gotta go and taste Saturday's high life
Before the parade passes by
I've gotta get some life back into my life
I'm ready to move out in front
I've had enough of just passing by life
With the rest of them
With the best of them
I can hold my head up high
For I've got a goal again
I've got a drive again
I wanna feel my heart coming alive again
Before the parade passes by

When the parade passes by
Listen and hear that brass harmony growing
When the parade passes by
Pardon me if my old spirit is showing
All of those lights over there
Seem to be telling me where I'm going
When the whistles blow
And the cymbals crash
And the sparklers light the sky
I'm gonna raise the roof
I'm gonna carry on
Give me an old trombone
Give me an old baton
Before the parade passes by!

39 – I DON’T KNOW HOW TO LOVE HIM – Jesus Christ Superstar
I don't know how to love him.
What to do, how to move him.
I've been changed, yes really changed.
In these past few days, when I've seen myself,
I seem like someone else.
I don't know how to take this.
I don't see why he moves me.
He's a man. He's just a man.
And I've had so many men before,
In very many ways,
He's just one more.
Should I bring him down?
Should I scream and shout?
Should I speak of love,
Let my feelings out?
I never thought I'd come to this.
What's it all about?
Don't you think it's rather funny,
I should be in this position.
I'm the one who's always been
So calm, so cool, no lover's fool,
Running every show.
He scares me so.
I never thought I'd come to this.
What's it all about?
Yet, if he said he loved me,
I'd be lost. I'd be frightened.
I couldn't cope, just couldn't cope.
I'd turn my head. I'd back away.
I wouldn't want to know.
He scares me so.
I want him so.
I love him so.

40 – ANY DREAM WILL DO – Joseph and the Amazing Technicolor Dreamcoat
I closed my eyes, drew back the curtain
To see for certain what I thought I knew
Brunch Hymnal

Far far away, someone was weeping
But the world was sleeping
Any dream will do

I wore my coat, with golden lining
Bright colours shining, wonderful and new
And in the east, the dawn was breaking
And the world was waking
Any dream will do

A crash of drums, a flash of light
My golden coat flew out of sight
The colours faded into darkness
I was left alone

May I return to the beginning
The light is dimming, and the dream is too
The world and I, we are still waiting
Still hesitating
Any dream will do

A crash of drums, a flash of light
My golden coat flew out of sight
The colours faded into darkness
Brunch Hymnal

I was left alone

May I return to the beginning
The light is dimming, and the dream is too
The world and I, we are still waiting
Still hesitating
Any dream will do, Any dream will do, Any dream will do.

41 – CLOSE EVERY DOOR – Joseph and the Amazing Technicolor Dreamcoat
Close every door to me,
Hide all the world from me
Bar all the windows
And shut out the light
Do what you want with me,
Hate me and laugh at me
Darken my daytime
And torture my night
If my life were important I
Would ask will I live or die
But I know the answers lie
Far from this world
Close every door to me,
Keep those I love from me
Children of Israel
Are never alone
For I know I shall find
My own peace of mind
For I have been promised
A land of my own

Close every door to me,
Hide all the world from me
Bar all the windows
And shut out the light

Just give me a number
Instead of my name
Forget all about me
And let me decay
I do not matter,
I'm only one person
Destroy me completely
Then throw me away
If my life were important I
Would ask will I live or die
But I know the answers lie
Far from this world
Brunch Hymnal

Close every door to me,
Keep those I love from me
Children of Israel
Are never alone
For we know we shall find
Our own peace of mind
For we have been promised
A land of our own

42 – I WHISTLE A HAPPY TUNE – The King and I
Whenever I feel afraid
I hold my head erect
And whistle a happy tune
So no one will suspect
I'm Afraid.
While shivering in my shoes
I strike a careless pose
And whistle a happy tune
And no one ever knows I'm afraid.
The result of this deception
Is very strange to tell
For when I fool the people I fear
I fool myself as well!
I whistle a happy tune
And ev'ry single time
The happiness in the tune
Convinces me that I'm not afraid.

**43 – GETTING TO KNOW YOU – The King and I**
Getting to know you, getting to know all about you.
Getting to like you, getting to hope you like me.
Getting to know you, putting it my way,
But nicely,
You are precisely,
My cup of tea.
Getting to know you,
Getting to feel free and easy
When I am with you,
Getting to know what to say
Haven't you noticed
Suddenly I'm bright and breezy
Because of all the beautiful and new
Things I'm learning about you
Day by Day

**44 – ANOTHER OP’NIN’, ANOTHER SHOW – Kiss Me, Kate**
Another op'nin', another show
In Philly, Boston or Baltimo',
A chance for stage folks to say hello,
Another op'nin' of another show.
Another job that you hope, at last,
Will make your future forget your past,
Another pain where the ulcers grow,
Another op'nin' of another show.
Four weeks, you rehearse and rehearse,
Three weeks and it couldn't be worse,
One week, will it ever be right?
Then out o' the hat, it's that big first night!
The overture is about to start,
You cross your fingers and hold your heart,
It's curtain time and away we go!
Another op'nin' just another op’nin of another show
Just another op'nin' of another show.

45 – I AM WHAT I AM – La Cage Aux Folles
I am what I am

I am my own special creation.

So come take a look,

Give me the hook or the ovation.

It's my world that I want to take a little pride in,

My world, and it's not a place I have to hide in.

Life's not worth a damn,

'Til you can say, "Hey world, I am what I am."
I am what I am,
I don't want praise, I don't want pity.
I bang my own drum,
Some think it's noise, I think it's pretty.
And so what, if I love each feather and each spangle,
Why not try to see things from a diff'rent angle?
Your life is a sham 'til you can shout out loud
I am what I am!
I am what I am
And what I am needs no excuses.
I deal my own deck
Sometimes the ace, sometimes the deuces.
There's one life, and there's no return and no deposit;
One life, so it's time to open up your closet.
Life's not worth a damn 'til you can say,
"Hey world, I am what I am!"

46 – I DREAMED A DREAM – Les Miserables
I dreamed a dream in time gone by,
When hope was high and life, worth living.
I dreamed that love would never die,
I dreamed that God would be forgiving.
Then I was young and unafraid,
And dreams were made and used and wasted.
Brunch Hymnal

There was no ransom to be paid,
No song unsung, no wine, untasted.

But the tigers come at night,
With their voices soft as thunder,
As they tear your hope apart,
And they turn your dream to shame.

He slept a summer by my side,
He filled my days with endless wonder...
He took my childhood in his stride,
But he was gone when autumn came!

And still I dream he'll come to me,
That we will live the years together,
But there are dreams that cannot be,
And there are storms we cannot weather!

I had a dream my life would be
So different from this hell I'm living,
So different now from what it seemed...
Now life has killed the dream I dreamed...
Isn't it rich?
Are we a pair?
Me here at last on the ground,
You in mid-air.
Send in the clowns.
Isn't it bliss?
Don't you approve?
One who keeps tearing around,
One who can't move.
Where are the clowns?
Send in the clowns.
Just when I'd stopped opening doors,
Finally knowing the one that I wanted was yours,
Making my entrance again with my usual flair,
Sure of my lines,
No one is there.
Don't you love farce?
My fault, I fear.
I thought that you'd want what I want--
Sorry, my dear.
But where are the clowns?
Quick, send in the clowns.
Don't bother, they're here.
Isn't it rich?
Isn't it queer?
Losing my timing this late
In my career?
And where are the clowns?
There ought to be clowns.
Well, maybe next year.

48 – SOMEWHERE THAT'S GREEN – Little Shop of Horrors
I know Seymour's the greatest
But I'm dating a semi-sadist
So I've got a black eye
And my arm's in a cast.
Still, that Seymour's a cutie
Well, if not, he's got inner beauty
And I dream of a place
Where we could be together at last

A matchbox of our own
A fence of real chain link,
A grill out on the patio
Disposal in the sink
A washer and a dryer and an ironing machine
Brunch Hymnal

In a tract house that we share
Somewhere that's green.

He rakes and trims the grass
He loves to mow and weed
I cook like Betty Crocker
And I look like Donna Reed
There's plastic on the furniture
To keep it neat and clean
In the Pine-Sol scented air
Somewhere that's green

Between our frozen dinner
And our bedtime, nine-fifteen
We snuggle watchin' Lucy
On our big, enormous twelve-inch screen

I'm his December Bride
He's Father, he Knows Best
Our kids watch Howdy Doody
As the sun sets in the west
A picture out of Better Homes and Gardens magazine

Far from Skid Row
I dream we'll go
somewhere that's green

49- WE NEED A LITTLE CHRISTMAS – Mame

Haul out the holly;
Put up the tree before my spirit falls again.
Fill up the stocking,
I may be rushing things, but deck the halls again now.
For we need a little Christmas
Right this very minute,
Candles in the window,
Carols at the spinet.
Yes, we need a little Christmas
Right this very minute.
It hasn't snowed a single flurry,
But Santa, dear, we're in a hurry;
So climb down the chimney;
Put up the brightest string of lights I've ever seen.
Slice up the fruitcake;
It's time we hung some tinsel on that evergreen bough.
For I've grown a little leaner,
Grown a little colder,
Grown a little sadder,
Grown a little older,
And I need a little angel
Sitting on my shoulder,
Need a little Christmas now.

50 – MAME – Mame
You coax the blues right out of the horn, Mame,
You charm the husk right off of the corn, Mame,
You've got the banjoes strummin'
And plunkin' out a tune to beat the band,
The whole plantation's hummin'
Since you brought Dixie back to Dixie land.
You make the cotton easy to pick, Mame,
You give my old mint julep a kick, Mame,
You make the old magnolia tree blossom at the mention of your name
You've made us feel alive again,
You've given us the drive again,
To make the South revive again, Mame.

You've brought the cake-walk back into style, Mame
You make the weepin' willow tree smile, Mame,
Your skin is Dixie satin,
There's rebel in your manner and your speech,
You may be from Manhattan,
But Georgia never had a sweeter peach.
You make our black eyed peas and our grits, Mame
You seem like the Bill of Fare at the Ritz, Mame
You came you saw, you conquered
and absolutely nothing is the same,
Your special fascinaita’ll, proved to be inspirational
We think you’re just sensational,
Mame!

51 – IMPOSSIBLE DREAM – Man of La Mancha
To dream the impossible dream,
To fight the unbeatable foe,
To bear with unbearable sorrow
To run where the brave dare not go;
To right the unrightable wrong.

To love, pure and chaste, from afar,
To try, when your arms are too weary,
To reach the unreachable star!

This is my Quest to follow that star,
No matter how hopeless, no matter how far,
To fight for the right
Without question or pause,
To be willing to march into hell
For a heavenly cause!

And I know, if I'll only be true
To this glorious Quest,
That my heart will lie peaceful and calm
When I'm laid to my rest.

And the world will be better for this,
That one man, scorned and covered with scars,
Still strove, with his last ounce of courage,
To reach the unreachable stars!

52 – JUST THE WAY YOU ARE – Movin’ Out
Don't go changing, to try and please me
You never let me down before
Don't imagine you're too familiar
And I don't see you anymore

I wouldn't leave you in times of trouble
We never could have come this far
I took the good times, I'll take the bad times
I'll take you just the way you are
Brunch Hymnal

Don't go trying some new fashion
Don't change the color of your hair
You always have my unspoken passion
Although I might not seem to care

I don't want clever conversation
I never want to work that hard
I just want someone that I can talk to
I want you just the way you are.

I need to know that you will always be
The same old someone that I knew
What will it take till you believe in me
The way that I believe in you.

I said I love you and that's forever
And this I promise from the heart
I could not love you any better
I love you just the way you are.

53 – GOOD NIGHT MY SOMEONE – Music Man
Goodnight, my someone,
Goodnight, my love,
Sleep tight, my someone,
Sleep tight, my love,
Our star is shining it's brightest light
For goodnight, my love, for goodnight.
Sweet dreams be yours, dear,
If dreams there be
Sweet dreams to carry you close to me.
I wish they may and I wish they might
Now goodnight, my someone, goodnight
Goodnight.
Goodnight.

54 – SEVENTY SIX TROMBONES – Music Man
Seventy-six trombones led the big parade
With a hundred and ten cornets close at hand.
They were followed by rows and rows of the finest virtuoso-
Sos, the cream of ev'ry famous band.

Seventy-six trombones caught the morning sun
With a hundred and ten cornets right behind
There were more than a thousand reeds
Springing up like weeds
There were horns of ev'ry shape and kind.

There were copper bottom tympani in horse platoons
Brunch Hymnal

Thundering, thundering all along the way.
Double bell euphoniums and big bassoons,
Each bassoon having it's big, fat say!

There were fifty mounted cannon in the battery
Thundering, thundering louder than before
Clarinets of ev'ry size
And trumpeters who'd improvise
A full octave higher than the score!

55 – WOULDN'T IT BE LOVERLY – My Fair Lady
All I want is a room somewhere,
Far away from the cold night air.
With one enormous chair,
Aow, wouldn't it be loverly?
Lots of choc'lates for me to eat,
Lots of coal makin' lots of 'eat.
Warm face, warm 'ands, warm feet,
Aow, wouldn't it be loverly?
Aow, so loverly sittin' abso-bloomin'-lutely still.
I would never budge 'till spring
Crept over me windowsill.
Someone's 'ead restin' on my knee,
Warm an' tender as 'e can be. 'ho takes good care of me,
Aow, wouldn't it be loverly?
Loverly, loverly, loverly, loverly

56 – ON THE STREET WHERE YOU LIVE – My Fair Lady
I have often walked down this street before;
But the pavement always stayed beneath my feet before.
All at once am I Several stories high.
Knowing I'm on the street where you live.
Are there lilac trees in the heart of town?
Can you hear a lark in any other part of town?
Does enchantment pour Out of ev'ry door?
No, it's just on the street where you live!
And oh! The towering feeling
Just to know somehow you are near.
The overpowering feeling
That any second you may suddenly appear!
People stop and stare. They don't bother me.
For there's no where else on earth that I would rather be.
Let the time go by, I won't care if I
Can be here on the street where you live.

57 – OH WHAT A BEAUTIFUL MORNING – Oklahoma
There's a bright, golden haze on the meadow
There's a bright, golden haze on the meadow.
The corn is as high as an elephant's eye
And it looks like it's climbing clear up to the sky.
Brunch Hymnal

Oh, what a beautiful Mornin'
Oh, what a beautiful day.
I've got a beautiful feelin'
Everything's goin' my way.

All the cattle are standin' like statues
They don't turn their heads as they see me ride by
But a little brown mav'rick is winkin' her eye
Oh, what a beautiful Mornin'
Oh, what a beautiful day.
I've got a beautiful feelin'
Everything's goin' my way.

All the sounds of the earth are like music
The breeze is so busy it don't miss a tree
An' a ol' weepin' willer is laughin' at me
Oh, what a beautiful Mornin'
Oh, what a beautiful day.
I've got a beautiful feelin'
Everything's goin' my way.
Oh, what a beautiful day!
58 – OKLAHOMA – Oklahoma
Oklahoma, where the wind comes sweepin' down the plain
And the wavin' wheat can sure smell sweet
When the wind comes right behind the rain.
Oklahoma, Ev'ry night my honey lamb and I
Sit alone and talk and watch a hawk
Makin' lazy circles in the sky.

We know we belong to the land
And the land we belong to is grand!
And when we say
Yeeow! Ayipioeeyay!
We're only sayin'
You're doin' fine, Oklahoma!
Oklahoma O.K.

59 – I CAIN’T SAY NO – Oklahoma
I'm just a girl who cain't say 'no'
I'm in a terrible fix!
I always say 'Come on, let's go' just when I aughta say 'Nix.'
When a person tries to kiss a girl
I know she aughta give his face a smack!
But as soon as someone kisses me
I somehow sorta want to kiss him back!
I'm just a fool when lights are low
I cain't be prissy an' quaint
I ain't the type that can faint
How can I be what I ain't?
I cain't say 'no!'

Whatcha gonna do when a feller gets flirty
An' starts to talk purty
Whatcha gonna do?
S'posin' that he says
That your lips are like cherrys,
Or roses, or berries
Whatcha gonna do?
S'posin' that he says
That yer sweeter than cream
and he's gotta have cream or die?
Whatcha gonna do when he talks that way?
Spit in his eye?
I'm jist a girl who cain't say no,
Cain't seem to say it at all
I hate to disserpoint a beau
When he is payin' a call!
Fer a while I ack refined and cool,
A settin on the velveteen setee
Nen I think of thet ol' golden rule,
And do fer him what he would do fer me!
I cain't resist a Romeo
In a sombrero and chaps
Soon as I sit on their laps
Somethin' inside of me snaps
I cain't say no!

60 – CONSIDER YOURSELF - Oliver
Consider yourself at home.
Consider yourself one of the familhy.
We've taken to you so strong.
It's clear we're going to get along.
Consider yourself well in
Consider yourself part to the furniture.
There isn't a lot to spare.
Who cares?
.. Whatever we've goin we share!

If it should chance to be
We should see
Some harder days
Empty larder days
Why grouse?
Always a-chance we'll meet
Somebody
To foot the bill
Then the drinks are on the house!
Consider yourself our mate.
We do't want to have no fuss,
For after some consideration, we can state...
Consider yourself
One of us!

61 – AS LONG AS HE NEEDS ME – Oliver
As long as he needs me...
I know where I must be.
I'll cling on steadfastly...
As long as he needs me.

As long as life is long...
I'll love him right or wrong,
And somehow, I'll be strong...
As long as he needs me.

If you are lonely
Then you will know...
When someone needs you,
You love them so.
I won't betray his trust...
Though people say I must.
I've got to stay true, just
As long as he needs me.

62 – ON A CLEAR DAY – On a Clear Day You Can See Forever
On a clear day
Rise and look around you
And you'll see who you are.
On a clear day
How it will astound you
That the glow of your being outshines ev'ry star.

You'll feel part of ev'ry mountain sea and shore.
You can hear, from far and near,
A world you've never heard before.
And on a clear day...
On that clear day...
You can see forever and ever more!
And ever...
And ever more!

63 – NEVER, NEVER LAND – Peter Pan
I know a place where dreams are born,
Brunch Hymnal

And time is never planned.
It's not on any chart,
You must find it with your heart.
Never Never Land.
It might be miles beyond the moon,
Or right there where you stand.
Just keep an open mind,
And then suddenly you'll find
Never Never Land.

You'll have a treasure if you stay there,
More precious far than gold.
For once you have found your way there,
You can never, never grow old.
So come with me where dreams are born,
And time is never planned.
Just think of lovely things.
And your heart will fly on wings,
Forever in Never Never Land.

64 – MUSIC OF THE NIGHT – Phantom of the Opera
Night-time sharpens, heightens each sensation ...
Darkness stirs and wakes imagination ...
Silently the senses abandon thier defences ...
Slowly, gently night unfurls its splendour ...
Grasp it, sense it - tremulous and tender ...
Turn your face away from the garish light of day,
turn your thoughts away from cold, unfeeling light -
and listen to the music of the night ...
Close your eyes and surrender to your darkest dreams!
Purge your thoughts of the life you knew before!
Close your eyes, let your spirit start to soar!
And you'll live as you've never lived before ...

Softly, deftly, music shall surround you ...
Feel it, hear it, closing in around you ...
Open up your mind, let your fantasies unwind,
in this dark which you know you cannot fight -
the darkness of the music of the night.

Let your mind start a journey through a strange, new world!
Leave all thoughts of the world you knew before!
Let your soul
Take you where you long to be!
Only then can you belong to me ...

Floating, falling, sweet intoxication!
Touch me, trust me, savour each sensation!
Let the dream begin,
let your darker side give in to the power of
the music that I write - the power of the music of the night ...
You alone can make my song take flight -
help me make the music of the night ...

65 – SUMMERTIME – Porgy & Bess
Summertime,
And the livin' is easy
Fish are jumpin'
And the cotton is high
Oh, Your daddy's rich
And your mamma's good lookin'
So hush little baby
Don't you cry

One of these mornings
You're going to rise up singing
Then you'll spread your wings
And you'll take to the sky
But until that morning
There's a'nothing can harm you
With your daddy and mammy standing by
Summertime,
And the livin' is easy
Fish are jumpin'
And the cotton is high
Your daddy's rich
And your mamma's good lookin'
So hush little baby
Don't you cry

66 – I'LL NEVER FALL IN LOVE AGAIN – Promises, Promises
What do you get when you fall in love?
A guy with a pin to burst your bubble
That's what you get for all your trouble
I'll never fall in love again
I'll never fall in love again
What do you get when you kiss a guy?
You get enough germs to catch pneumonia
After you do, he'll never phone ya
I'll never fall in love again
I'll never fall in love again?

Don't tell me what it's all about
'cause I've been there and I'm glad I'm out
Brunch Hymnal

Out of those chains, those chains that bind you
That is why I'm here to remind you

What do you get when you fall in love?
You only get lies and pain and sorrow
So far at least until tomorrow
I'll never fall in love again
I'll never fall in love again

67 – SEASONS OF LOVE – Rent
525,600 minutes, 525,000 moments so dear.

525,600 minutes - how do you measure, measure a year?
In daylights, in sunsets, in midnights, in cups of coffee.
In inches, in miles, in laughter, in strife.
In 525,600 minutes - how do you measure a year in the life?
How about love? How about love? How
about love? Measure in love.
Seasons of love. Seasons of love

525,600 minutes! 525,000 journeys to plan.
525,600 minutes - how do you measure the life of a woman or man?
In truths that she learned,
Or in times that he cried.
In bridges he burned,
Brunch Hymnal

Or the way that she died....

It's time now to sing out,
though the story never ends let's celebrate remember a year in the life of friends.
Remember the love!
Remember the love!
Remember the love!
Measure in love.
Seasons of love! Seasons of love.

68 – DAMN IT, JANET – The Rocky Horror Show
Hey Janet (Yes Brad?), I've got something to say.
I really loved the skilful way
You beat the other girls to the bride's bouquet!

The river was deep but I swam it, Janet
The future is ours so let's plan it, Janet
So please don't tell me to can it, Janet
I've one thing to say and that's

Dammit, Janet, I love you...

The road was long but i ran it, Janet
There's a fire in my heart and you fan it, Janet
Brunch Hymnal

If there's one fool for you then I am it, Janet
Now I've one thing to say and that's

Dammit, Janet, I love you...

Here's a ring to prove that I'm no joker
There's three ways that love can grow
That's good, bad or mediocre
Oh J-A-N-E-T I love you so

Oh it's nicer than Betty Munroe had, oh Brad
Now we're engaged and I'm so glad, oh Brad
That you've met Mum and you know Dad, oh Brad
I've one thing to say and that's

Brad I'm mad for you too...

Oh Brad, Oh... dammit!
I'm mad, Oh Janet!
For you, I love you too
There's one thing left to do, and that's

Go see the man who began it
When we met in his science exam-it
Made me give you the eye and then panic
There's one thing to say and that's

Dammit, Janet, I love you...

69 – OL’ MAN RIVER – Showboat
Ol' man river,
Dat ol' man river
He mus'know sumpin'
But don't say nuthin',
He jes'keeps rollin'
He keeps on rollin' along.

He don' plant taters,
He don't plant cotton,
An' dem dat plants'em

But ol'man river,
He jes keeps rollin'along.

You an'me, we sweat an' strain,
Body all achin' an' racket wid pain,
Tote dat barge!

An' you land in jail.

Ah gits weary
An' sick of tryin'
Ah'm tired of livin'
An' skeered of dyin',
But ol' man river,

70 – YOUNGER THAN SPRINGTIME – South Pacific
Younger than springtime, are you
Softer than starlight, are you,
Warmer than winds of June,
Are the gentle lips you gave me.
Gayer than laughter, are you,
Sweeter than music, are you,
Angel and lover, heaven and earth,
Are you to me.

And when your youth
And joy invade my arms,
And fill my heart as now they do,
Then younger than springtime, am I,
Brunch Hymnal

Gayer than laughter, am I,
Angel and lover, heaven and earth,
Am I with you!

71 - UNEXPECTED SONG – Song & Dance
I have never felt like this
For once I’m lost for words
Your smile has really thrown me
This is not like me at all
I never thought I’d know
The kind of love you’ve shown me

Now, no matter where I am
No matter what I do
I see your face appearing
Like an unexpected song
An unexpected song
That only we are hearing

I don’t know what’s going on
Can’t work it out at all
Whatever made you choose me
I just can’t believe my eyes
You look at me as though
You couldn't bear to lose me

Now, no matter where I am
No matter what I do
I see your face appearing
Like an unexpected song
An unexpected song
That only we are hearing

I have never felt like this
For once I'm lost for words
Your smile has really thrown me
This is not like me at all
I never thought I'd know
The kind of love you've shown me

Now, no matter where I am
No matter what I do
I see your face appearing
Like an unexpected song
An unexpected song
That only we are hearing
Like an unexpected song
An unexpected song
That only we are hearing

72 – SOUND OF MUSIC – The Sound of Music
The hills are alive
With the sound of music,
With songs they have sung,
For a thousand years.
The hills fill my heart,
With the sound of music.
My heart wants to sing every song it hears.
My heart wants to beat like the wings
Of the birds that rise from the lake
To the trees.
My heart wants to sigh
Like a chime that flies
From a church on a breeze,
To laugh like a brook when it trips and falls
Over stones on its way
To sing through the night,
Like a lark who is learning to pray.
I go to the hills
When my heart is lonely.
I know I will hear
What I heard before.
My heart will be blessed
With the sound of music
And I'll sing once more.

73 – MY FAVORITE THINGS – The Sound of Music
Raindrops on roses and whiskers on kittens
Bright copper kettles and warm woolen mittens
Brown paper packages tied up with strings
These are a few of my favorite things

Cream colored ponies and crisp apple strudels
Door bells and sleigh bells and schnitzel with noodles
Wild geese that fly with the moon on their wings
These are a few of my favorite things

Girls in white dresses with blue satin sashes
Snowflakes that stay on my nose and eyelashes
Silver white winters that melt into Springs
These are a few of my favorite things

When the dog bites
When the bee stings
When I'm feeling sad
I simply remember my favorite things
And then I don't feel so bad.

74 – CLIMB EVERY MOUNTAIN – The Sound of Music
Climb every mountain
Search high and low
Follow every byway
Every path you know

Climb every mountain
Ford every stream
Follow every rainbow
Till you find your dream

A dream that will need
All the love you can give
Every day of your life
For as long as you live

Climb every mountain
Ford every stream
Follow every rainbow
Till you find your dream
75 – EDELWEISS – The Sound of Music
Edelweiss, Edelweiss
Every morning you greet me
Small and white clean and bright
You look happy to meet me
Blossom of snow may you bloom and grow
Bloom and grow forever
Edelweiss, Edelweiss
Bless my homeland forever.

76 – WITH ONE LOOK – Sunset Boulevard
With one look I can break your heart
With one look I play every part
I can make your sad heart sing
With one look you'll know all you need to know

With one smile I'm the girl next door
Or the love that you've hungered for
When I speak it's with my soul
I can play any role

No words can tell the stories my eyes tell
Watch me when I frown, you can't write that down
You know I'm right, it's there in black and white
Brunch Hymnal

When I look your way, you'll hear what I say

Yes, with one look I put words to shame
Just one look sets the screen aflame
Silent music starts to play
One tear in my eye makes the whole world cry

With one look they'll forgive the past
They'll rejoice I've returned at last
To my people in the dark
Still out there in the dark...

Silent music starts to play
With one look you'll know all you need to know

With one look I'll ignite a blaze
I'll return to my glory days
They'll say, "Norma's back at last!"

This time I am staying, I'm staying for good
I'll be back to where I was born to be
With one look I'll be me!
Pretty women
Fascinating...
Sipping coffee,
Dancing... pretty women
Pretty women
Are a wonder.
Pretty women!

Sitting in the window or
Standing on the stair
Something in them cheers the air.

Pretty women
Silhouetted...
Stay within you,
Glancing... stay forever,
Breathing lightly...
Pretty women,
Pretty women!

Blowing out their candles or
Combing out their hair,
Even when they leave
They still are there.
They're there

Ah! Pretty women, at their mirrors,
In their gardens,
Letter-writing,
Flower-picking,
Weather-watching.
How they make a man sing!

Proof of heaven as you're living,
Pretty women! Yes, pretty women!
Here's to pretty women,
Pretty women,
Pretty women,
Pretty women

78 – JOHANNA – Sweeney Todd
I feel you, Johanna,
I feel you.
I was half convinced I'd waken,
Satisfied enough to dream you.
Happily I was mistaken,
Johanna.
Brunch Hymnal

I'll steal you, Johanna,
I'll steal you.

I'll steal you, Johanna,
I'll steal you.
Do they think that walls could hide you?
Even now, I'm at your window.
I am in the dark beside you,
Buried sweetly in your yellow hair!
I feel you, Johanna,
And one day I'll steal you!
Til I'm with you then,
I'm with you there,
Sweetly buried in your yellow hair!

79 – NOT WHILE I’M AROUND – Sweeney Todd
Nothing's gonna harm you, not while I'm around.

Nothing's gonna harm you, no sir, not while I'm around.

Demons are prowling everywhere, nowadays,
I'll send 'em howling,
I don't care, I got ways.

No one's gonna hurt you,
No one's gonna dare.
Others can desert you,
Not to worry, whistle, I'll be there.

Demons'll charm you with a smile, for a while,
But in time...
Nothing can harm you
Not while I'm around...

Not to worry, not to worry
I may not be smart but I ain't dumb
I can do it, put me to it
Show me something I can overcome
Not to worry, Mum

Being close and being clever
Ain't like being true
I don't need to,
I would never hide a thing from you,
Like some...

No one's gonna hurt you, no one's gonna dare
Others can desert you,
Not to worry, whistle, I'll be there!
Brunch Hymnal

Demons'll charm you with a smile, for a while
But in time...
Nothing can harm you
Not while I'm around...

80 – HEY BIG SPENDER – Sweet Charity
The minute you walked in the joint,
I could see you were a man of distinction,
A real big spender,
Good looking, so refined.
Say, wouldn't you like to know
What's going on in my mind?
So, let me get right to the point,
I don't pop my cork for ev'ry guy I see.
Hey, big spender, spend...
A little time with...me!
Do you wanna have fun, fun, fun?
How's about a few laughs, laughs?
I can show you a...good time...
Let me show you a ...(good time)
The minute you walked in the joint,
I could see you were a man of distinction,
A real big spender.
Good looking, so refined.
Brunch Hymnal

Say wouldn't you like to know
What's going on in my mind?
So, let me get right to the point,
I don't pop my cork for every guy I see. 
Hey, big spender,
Hey, big spender!
Hey, big spender!
Spend...a little time with ...me!
Spend...a little time with ...me!
Spend...a little time with ...me!

81 – POPULAR – Wicked
Popular!
You're gonna be popular!
I'll teach you the proper ploys
When you talk to boys
Little ways to flirt and flounce
I'll show you what shoes to wear
How to fix your hair
Everything that really counts

To be popular
I'll help you be popular!
You'll hang with the right cohorts
You'll be good at sports
Know the slang you've got to know
So let's start
'Cause you've got an awfully long way to go:

Don't be offended by my frank analysis
Think of it as personality dialysis
Now that I've chosen to be come a pal, a
Sister and adviser
There's nobody wiser
Not when it comes to popular -
I know about popular
And with an assist from me
To be who you'll bee
Instead of dreary who-you-were: are:
There's nothing that can stop you
From becoming popu-
Ler: lar:

La la la la
We're gonna make
You popular

When I see depressing creatures
With unprepossessing features
I remind them on their own behalf
To think of
Celebrated heads of state or
Specially great communicators
Did they have brains or knowledge?
Don't make me laugh!

They were popular! Please -
It's all about popular!
It's not about aptitude
It's the way you're viewed
So it's very shrewd to be
Very very popular
Like me!

82 – OVER THE RAINBOW – The Wizard of Oz
Somewhere, over the rainbow, way up high.
There's a land that I heard of Once in a lullaby.
Somewhere, over the rainbow, skies are blue.
And the dreams that you dare to dream
Really do come true.
Someday I'll wish upon a star and wake up where the clouds are far
Behind me.
Where troubles melt like lemon drops, Away above the chimney tops.
That's where you'll find me.
Somewhere, over the rainbow, bluebirds fly. Birds fly over the rainbow,
Why then - oh, why can't I?
If happy little bluebirds fly beyond the rainbow,
Why, oh, why can't I?

83 – MAGIC - Xanadu
Come take my hand.
You should know me.
I've always been in your mind.
You know I will be kind.
I'll be guiding you.

Building your dream.
Has to start now.
There's no other road to take.
You won't make a mistake.
I'll be guiding you.

You have to believe we are magic.
Nothin' can stand in our way.
You have to believe we are magic.
Don't let your aim ever stray.
And if all your hopes survive.
Brunch Hymnal

Destiny will arrive.
I'll bring all your dreams alive
For you.
I'll bring all your dreams alive
For you.

From where I stand
You are home free.
The planets align so rare.
There's promise in the air.
And I'm guiding you.

Through every turn.
I'll be near you.
I'll come anytime you call.
I'll catch you when you fall.
I'll be guiding you.

Ohhhhhh. . .

You have to believe we are magic.
Nothin' can stand in our way.
You have to believe we are magic.
Don't let your aim ever stray.
And if all your hopes survive.
Destiny will arrive.
I'll bring all your dreams alive.
For you.
I'll bring all your dreams alive.
For you.

84 – SUSPENDED IN TIME - Xanadu
A child and a fool in one
So sure I could need no one
My heart always on the run to nowhere
Now as you're holding me
My heart is reminding me
That now I could never be without you

But how can our love succeed
A miracle is what we need
And so I appeal to you
To keep me suspended in time with you
Don't let this moment die
I get a feeling when I'm with you
None of the rules apply
But I know for certain
Goodbye is a crime
Brunch Hymnal

So love if you need me
Suspend me in time

Wasted the time away
Holding our love at bay
Now I can't last a day without you
Your smile is a thrill to see
Eyes hold me tenderly
They'll shine in my memory forever

But how can our love succeed
A miracle is what we need
And so I appeal to you
To keep me suspended in time with you
Don't let this moment die
I get a feeling when I'm with you
None of the rules apply
But I know for certain
Goodbye is a crime
So love if you need me
Suspend me in time
In time
85 – PUTTIN’ ON THE RITZ – Young Frankenstein

Have you seen the well-to-do
Up and down Park Avenue
On that famous thoroughfare
With their noses in the air

High hats and narrow collars
White spats and lots of dollars
Spending every dime
For a wonderful time

Now, if you're blue
And you don't know where to go to
Why don't you go where fashion sits
Puttin' on the Ritz
Different types who wear a daycoat
Pants with stripes and cutaway coat
Perfect fits
Puttin' on the Ritz

Dressed up like a million dollar trooper
Trying hard to look like Gary Cooper
Super-duper
Brunch Hymnal

Come, let's mix where Rockefellers
Walk with sticks or "umberellas"
In their mitts
Puttin' on the Ritz

Tips his hat just like an English chappie
To a lady with a wealthy pappy
Very snappy

You'll declare it's simply topping
To be there and hear them swapping
Smart tidbits

[Chorus]
Just Beat It, Beat It, Beat It, Beat It
No One Wants To Be Defeated
Showin' How Funky Strong Is Your Fight
It Doesn't Matter Who's Wrong Or Right
Just Beat It, Beat It
Beat It, Beat It, Beat It

87 - BOHEMIAN RHAPSODY
Is this the real life?
Is this just fantasy?
Caught in a landslide,
No escape from reality.

Open your eyes,
Look up to the skies and see,
I'm just a poor boy, I need no sympathy,
Because I'm easy come, easy go,
Little high, little low,
Any way the wind blows doesn't really matter to me, to me.

Mama, just killed a man,
Put a gun against his head,
Pulled my trigger, now he's dead.
Mama, life had just begun,
But now I've gone and thrown it all away.

Mama, ooh,
Didn't mean to make you cry,
If I'm not back again this time tomorrow,
Carry on, carry on as if nothing really matters.

Too late, my time has come,
Sent shivers down my spine,
Body's aching all the time.
Goodbye, everybody, I've got to go,
Gotta leave you all behind and face the truth.

Mama, ooh (any way the wind blows),
I don't wanna die,
Brunch Hymnal

I sometimes wish I'd never been born at all.

I see a little silhouettoo of a man,
Scaramouche, Scaramouche, will you do the Fandango?
Thunderbolt and lightning,
Very, very frightening me.
(Galileo) Galileo.
(Galileo) Galileo,
Galileo Figaro
Magnifico.

I'm just a poor boy and nobody loves me.
He's just a poor boy from a poor family,
Spare him his life from this monstrosity.

Easy come, easy go, will you let me go?
Bismillah! No, we will not let you go.
(Let him go!) Bismillah! We will not let you go.
(Let him go!) Bismillah! We will not let you go.
(Let me go) Will not let you go.
(Let me go) Will not let you go.
(Never, never, never let me go) Ah.
No, no, no, no, no, no, no.
(Oh, mama mia, mama mia) Mama mia, let me go.
Brunch Hymnal

Beelzebub has a devil put aside for me, for me, for me.

So you think you can stone me and spit in my eye?
So you think you can love me and leave me to die?
Oh, baby, can't do this to me, baby,
Just gotta get out, just gotta get right outta here.

(Oh, yeah, oh yeah)

Nothing really matters,
Anyone can see,
Nothing really matters,
Nothing really matters to me.

Any way the wind blows.

88 - CAN'T BUY ME LOVE
Can't buy me love, love
Can't buy me love

I'll buy you a diamond ring my friend if it makes you feel alright
I'll get you anything my friend if it makes you feel alright
Cos I don't care too much for money, and money can't buy me love
I'll give you all I got to give if you say you'll love me too
I may not have a lot to give but what I got I'll give to you
I don't care too much for money, money can't buy me love

Can't buy me love, everybody tells me so
Can't buy me love, no no no, no

Say you don't need no diamond ring and I'll be satisfied
Tell me that you want the kind of thing that money just can't buy
I don't care too much for money, money can't buy me love
Owww

Can't buy me love, everybody tells me so
Can't buy me love, no no no, no

Say you don't need no diamond ring and I'll be satisfied
Tell me that you want the kind of thing that money just can't buy
I don't care too much for money, money can't buy me love

Can't buy me love, love
Can't buy me love

89 - CAN'T HELP FALLING IN LOVE
Wise men say only fools rush in
but I can't help falling in love with you
Shall I stay
would it be a sin
If I can't help falling in love with you

Like a river flows surely to the sea
Darling so it goes
some things are meant to be
take my hand, take my whole life too
for I can't help falling in love with you

Like a river flows surely to the sea
Darling so it goes
some things are meant to be
take my hand, take my whole life too
for I can't help falling in love with you
for I can't help falling in love with you

90 - CAN'T TAKE MY EYES OFF OF YOU
You're just too good to be true
Can't take my eyes off of you
You'd be like heaven to touch
I wanna hold you so much
At long last love has arrived
And I thank God I'm alive
You're just too good to be true
Can't take my eyes off of you

Pardon the way that I stare
There's nothing else to compare
The sight of you leaves me weak
There are no words left to speak
So if you feel like I feel
Please let me know that it's real
You're just too good to be true
Can't take my eyes off of you

I love you baby and if it's quite all right
I need you baby to warm the lonely nights
I love you baby, trust in me when I say
Oh pretty baby, don't bring me down I pray
Oh pretty baby, now that I've found you stay
And let me love you baby, let me love you

91 - CHAPEL OF LOVE
Goin' to the chapel and we're gonna get married
Goin' to the chapel and we're gonna get married
Gee, I really love you and we're gonna get married
Goin' to the chapel of love
Brunch Hymnal

Spring is here, the sky is blue, whoa oh oh
Birds all sing as if they knew
Today's the day we'll say, "I do"
And we'll never be lonely anymore because we're
Goin' to the chapel and we're gonna get married
Goin' to the chapel and we're gonna get married
Gee, I really love you and we're gonna get married
Goin' to the chapel of love
Bells will ring, the sun will shine, whoa oh oh
I'll be his and he'll be mine
We'll love until the end of time
And we'll never be lonely anymore because we're
Goin' to the chapel and we're gonna get married
Goin' to the chapel and we're gonna get married
Gee, I really love you and we're gonna get married
Goin' to the chapel of love
Yeah, yeah, yeah, yeah
Goin' to the chapel of love
Yeah, yeah, yeah, yeah
Goin' to the Chapel of Love

92 - CLOSE TO YOU
Why do birds suddenly appear
Every time you are near?
Brunch Hymnal

Just like me, they long to be
Close to you.

Why do stars fall down from the sky
Every time you walk by?
Just like me, they long to be
Close to you.

On the day that you were born
And the angels got together
And decided to create a dream come true
So they sprinkled moon dust
In your hair of golden starlight in your eyes of blue.

That is why all the girls in town
Follow you all around
Just like me, they long to be
Close to you.

On the day that you were born
And the angels got together
And decided to create a dream come true
So they sprinkled moon dust
In your hair of gold
Brunch Hymnal

And starlight in your eyes of blue.

That is why all the girls in town
Follow you all around
Just like me, they long to be
Close to you.

Just like me, they long to be
Close to you.

Wa, close to you
Wa, close to you
Ha, close to you
La, close to you

93 - COPACABANA
Her name was Lola, she was a showgirl
With yellow feathers in her hair and a dress cut down to there
She would merengue and do the cha-cha
And while she tried to be a star
Tony always tended bar
Across the crowded floor, they worked from 8 til 4
They were young and they had each other
Who could ask for more?
[Chorus:]
At the copa (CO!) Copacabana (Copacabana)
The hottest spot north of Havana (here)
At the copa (CO!) Copacabana
Music and passion were always in fashion
At the copa.... they fell in love

His name was Rico
He wore a diamond
He was escorted to his chair, he saw Lola dancing there
And when she finished, he called her over
But Rico went a bit to far
Tony sailed across the bar
And then the punches flew and chairs were smashed in two
There was blood and a single gun shot
But just who shot who?

At the copa... she lost her love

Her name is Lola, she was a showgirl,
But that was 30 years ago, when they used to have a show
Now it's a disco, but not for Lola,
Still in dress she used to wear,
Brunch Hymnal

Faded feathers in her hair
She sits there so refined, and drinks herself half-blind
She lost her youth and she lost her Tony
Now she's lost her mind

At the copa... don't fall in love
Don't fall in love

94 - COULD I HAVE THIS DANCE
I'll always remember,
the song they were playing,
The first time we danced and I knew

As we swayed to the music,
and held to each other,
I fell in love with you

[Chorus:]
Could I have this dance
for the rest of my life,
Could you be my partner
every night,
when we're together
it feels so right,
Brunch Hymnal

Could I have this dance
for the rest of my life

I'll always remember,
that magic moment,
When I held you close to me

As we move together,
I knew forever,
you're all I'll ever need

Could I have this dance
for the rest of my life,
Could you be my partner
every night,
when we're together
it feels so right,
Could I have this dance
for the rest of my life

Could I have this dance
for the rest of my life,
Could you be my partner
every night,
when we're together
it feels so right,
Could I have this dance
for the rest of my life!!

95 - DANCING QUEEN
You can dance, you can jive, having the time of your life
See that girl, watch that scene, digging the Dancing Queen

Friday night and the lights are low
Looking out for the place to go
Where they play the right music, getting in the swing
You come in to look for a king
Anybody could be that guy
Night is young and the music's high
With a bit of rock music, everything is fine
You're in the mood for a dance
And when you get the chance...

You are the Dancing Queen, young and sweet, only seventeen
Dancing Queen, feel the beat from the tambourine
You can dance, you can jive, having the time of your life
See that girl, watch that scene, digging the Dancing Queen
You're a teaser, you turn 'em on
Leave them burning and then you're gone
Looking out for another, anyone will do
You're in the mood for a dance
And when you get the chance...

You are the Dancing Queen, young and sweet, only seventeen
Dancing Queen, feel the beat from the tambourine
You can dance, you can jive, having the time of your life
See that girl, watch that scene, digging the Dancing Queen

96 - DON'T GO BREAKING MY HEART
Don't go breaking my heart
I couldn't if I tried
Honey if I get restless
Baby you're not that kind

Don't go breaking my heart
You take the weight off me
Honey when you knock on my door
I gave you my key

Nobody knows it
When I was down
Brunch Hymnal

I was your clown
Nobody knows it
Right from the start
I gave you my heart
I gave you my heart

So don't go breaking my heart
I won't go breaking your heart
Don't go breaking my heart

And nobody told us
`Cause nobody showed us
And now it's up to us babe
I think we can make it

So don't misunderstand me
You put the light in my life
You put the sparks to the flame
I've got your heart in my sights

97 - DON'T STOP BELIEVING
Just a small town girl
Livin' in a lonely world
She took the midnight train
Goin' anywhere
Just a city boy
Born and raised in South Detroit
He took the midnight train
Goin' anywhere

A singer in a smokey room
A smell of wine and cheap perfume
For a smile they can share the night
It goes on and on and on and on

Strangers waiting
Up and down the boulevard
Their shadows searching
In the night
Streetlights, people
Livin' just to find emotion
Hidin', somewhere in the night

Workin' hard to get my fill
Everybody wants a thrill
Payin' anything to roll the dice
Just one more time
Some will win
Some will lose
Some were born to sing the blues
Oh, the movie never ends
It goes on and on and on and on

Strangers waiting
Up and down the boulevard
Their shadows searching
In the night
Streetlights, people
Livin' just to find emotion
Hidin', somewhere in the night

Don't stop believin'
Hold on to the feelin'
Streetlights, people
Don't stop believin'
Hold on
Streetlights, people

98 - DOWNTOWN
When you're alone
And life is making you lonely,
You can always go downtown
Brunch Hymnal

When you've got worries,
All the noise and the hurry
Seems to help, I know, downtown

Just listen to the music of the traffic in the city
Linger on the sidewalk where the neon signs are pretty
How can you lose?

The lights are much brighter there
You can forget all your troubles, forget all your cares and go
downtown, things'll be great when you're
downtown, no finer place for sure,
downtown, everything's waiting for you
(Downtown)

Don't hang around
And let your problems surround you
There are movie shows downtown
Maybe you know
Some little places to go to
Where they never close downtown

Just listen to the rhythm of a gentle bossanova
You'll be dancing with 'em too before the night is over
Brunch Hymnal

Happy again

The lights are much brighter there
You can forget all your troubles, forget all your cares and go
Downtown where all the lights are bright,
Downtown, waiting for you tonight,
Downtown, you're gonna be alright now
(Downtown, downtown)

Downtown
(Downtown)

And you may find somebody kind to help and understand you,
Someone who is just like you and needs a gentle hand to
Guide them along

So, maybe I'll see you there
We can forget all our troubles, forget all our cares and go
Downtown, things'll be great when you're
Downtown, don't wait a minute more,
Downtown, everything's waiting for you

Downtown (downtown) downtown (downtown)
99 - ENDLESS LOVE
My love,
There's only you in my life
The only thing that's bright

My first love,
You're every breath that I take
You're every step I make

And I
(I-I-I-I-I)
I want to share
All my love with you
No one else will do...

And your eyes
Your eyes, your eyes
They tell me how much you care
Ooh yes, you will always be
My endless love

Two hearts,
Two hearts that beat as one
Our lives have just begun
Forever
(Ohhhhhh)
I'll hold you close in my arms
I can't resist your charms

And love
Oh, love
I'll be a fool
For you,
I'm sure
You know I don't mind
Oh, you know I don't mind

'Cause you,
You mean the world to me
Oh
I know
I know
I've found in you
My endless love

Oooh-woow
Boom, boom
Brunch Hymnal

Boom, boom, boom, boom, booom
Boom, boom, boom, boom, booom

Oooh, and love
Oh, love
I'll be that fool
For you,
I'm sure
You know I don't mind
Oh you know-
I don't mind

And, YES
You'll be the only one
'Cause NO one can deny
This love I have inside
And I'll give it all to you
My love
My love, my love
My endless love

100 - GIRLS JUST WANNA HAVE FUN
I come home in the morning light
My mother says when you gonna live your life right
Oh mother dear we're not the fortunate ones
And girls they want to have fun
Oh girls just want to have fun

The phone rings in the middle of the night
My father yells what you gonna do with your life
Oh daddy dear you know you're still number one
But girls they want to have fun
Oh girls just want to have

That's all they really want
Some fun
When the working day is done
Girls - they want to have fun
Oh girls just want to have fun

Some boys take a beautiful girl
And hide her away from the rest of the world
I want to be the one to walk in the sun
Oh girls they want to have fun
Oh girls just want to have

That's all they really want
Some fun
When the working day is done
Girls - they want to have fun
Oh girls just want to have fun,
They want to have fun,
They want to have fun...

101 - HOW WILL I KNOW
There's a boy I know, he's the one I dream of
Looks into my eyes, takes me to the clouds above
Ooh I lose control, can't seem to get enough
When I wake from dreaming, tell me is it really love

[Chorus:]
How will I know (Don't trust your feelings)
How will I know
How will I know (Love can be deceiving)
How will I know
How will I know if he really loves me
I say a prayer with every heart beat
I fall in love whenever we meet
I'm asking you what you know about these things
How will I know if he's thinking of me
I try to phone but I'm too shy (can't speak)
Falling in love is all bitter sweet
Brunch Hymnal

This love is strong why do I feel weak

Oh, wake me, I'm shaking, wish I had you near me now
Said there's no mistaking, what I feel is really love

[chorus]

If he loves me, if he loves me not [X3]

[chorus]

102 - I JUST CALLED TO SAY I LOVE YOU

No New Year's Day to celebrate
No chocolate covered candy hearts to give away
No first of spring
No song to sing
In fact here's just another ordinary day

No April rain
No flowers bloom
No wedding Saturday within the month of June
But what it is, is something true
Made up of these three words that I must say to you
I just called to say I love you
I just called to say how much I care
I just called to say I love you
And I mean it from the bottom of my heart

No summer's high
No warm July
No harvest moon to light one tender August night
No autumn breeze
No falling leaves
Not even time for birds to fly to southern skies

No Libra sun
No Halloween
No giving thanks to all the Christmas joy you bring
But what it is, though old so new
To fill your heart like no three words could ever do

I just called to say I love you
I just called to say how much I care, I do
I just called to say I love you
And I mean it from the bottom of my heart

I just called to say I love you
I just called to say how much I care, I do
I just called to say I love you
And I mean it from the bottom of my heart, of my heart, of my heart

I just called to say I love you
I just called to say how much I care, I do
I just called to say I love you
And I mean it from the bottom of my heart, of my heart, baby of my heart

103 - I SAY A LITTLE PRAYER
The moment I wake up
Before I put on my makeup
I say a little pray for you
While combing my hair now
And wondering what dress to wear now
I say a little prayer for you

Forever and ever, you'll stay in my heart
And I will love you
Forever and ever, we never will part
Oh, how I love you
Together, forever, that's how it must be
To live without you
Would only mean heartbreak for me

I run for the bus, dear
While riding I think of us, dear
I say a little prayer for you
At work I just take time
And all through my coffee break time
I say a little prayer for you

Forever and ever, you'll stay in my heart
And I will love you
Forever and ever we never will part
Oh, how I'll love you
Together, forever, that's how it must be
To live without you
Would only mean heartbreak for me

I say a little prayer for you
I say a little prayer for you

My darling, believe me
(Believe me)
For me there is no one but you
Please love me too
(Answer his pray)
And I'm in love with you
(Answer his pray)
Answer my prayer now, babe
(Answer his pray)

Forever and ever, you'll stay in my heart
And I will love you
Forever and ever we never will part
Oh, how I'll love you
Together, forever, that's how it must be
To live without you
Would only mean heartbreak for me

104 - I WILL SURVIVE
At first, I was afraid, I was petrified
Kept thinking, I could never live without you by my side
But then I spent so many nights thinking, how you did me wrong
And I grew strong and I learned how to get along
And so you're back from outer space
I just walked in to find you here with that sad look upon your face
I should have changed that stupid lock
I should have made you leave your key
If I'd known for just one second you'd be back to bother me
Go on now, go, walk out the door, just turn around now
'Cause you're not welcome anymore
Weren't you the one, who tried to hurt me with goodbye?
Did you think I'd crumble? Did you think I'd lay down and die?
Oh, no, not I, I will survive
Oh, as long as I know how to love, I know I'll stay alive
I've got all my life to live, I've got all my love to give
And I'll survive, I will survive, hey, hey
It took all the strength I had not to fall apart
Kept trying hard to mend the pieces of my broken heart
And I spent, oh, so many nights just feeling sorry for myself
I used to cry but now I hold my head up high
And you see me, somebody new
I'm not that chained up little person still in love with you
And so you felt like dropping in and just expect me to be free
But now I'm saving all my loving for someone who's loving me
Go on now, go, walk out the door, just turn around now
'Cause you're not welcome anymore
Weren't you the one, who tried to break me with goodbye
Did you think I'd crumble? Did you think I'd lay down and die?
Oh, no, not I, I will survive
Oh, as long as I know how to love, I know I'll stay alive
I've got all my life to live, I've got all my love to give
And I'll survive, I will survive, oh
Go on now, go, walk out the door, just turn around now 'Cause you're not welcome anymore
Weren't you the one, who tried to break me with goodbye
Did you think I'd crumble? Did you think I'd lay down and die?
Oh, no, not I, I will survive
Oh, as long as I know how to love, I know I'll stay alive
I've got all my life to live, I've got all my love to give
And I'll survive, I will survive, I will survive

105 - I WILL ALWAYS LOVE YOU
If I should stay
I would only be in your way
So I'll go but I know
I'll think of you every step of the way

And I... will always love you, ooh
I will always love you
You
My darling you
Mmm-mm

Bittersweet memories
That is all I'm taking with me
So good-bye
Please don't cry
We both know I'm not what you, you need
And I...
Will always love you
I...
Will always love you
You, ooh

I hope life treats you kind
And I hope you have all you've dreamed of
And I wish you joy and happiness
But above all this I wish you love
And I...
Will always love you
I...
Will always love you
[Repeat]

I, I will always love
You....
You
Darling I love you
I'll always
I'll always
Love
You..
Oooh
Ooohhh

106 - I WRITE THE SONGS
I’ve been alive forever,
And I wrote the very first song.
I put the words and the melodies together,
I am music,
And I write the songs.

I write the songs that make the whole world sing.
I write the songs of love and special things.
I write the songs that make the young girls cry.
I write the songs, I write the songs.

My home lies deep within you,
And I’ve got my own place in your sole.
Now, when I look out through your eyes,
I’m you’g again, even though I’m very old.

Chorus
Oh my music makes you dance
And gives your spirit to take a chance,
And I wrote some rock ’n’ roll so you can move.
Music fills your heart,
Well, that’s a real fine place to start.
It’s from me it’s for you,
It’s from you, it’s from me,
It’s a world wide symphony.

Chorus

I am music, and I write the songs.

107 - IT'S MY PARTY
Nobody knows where my Johnny has gone
Judy left the same time
Why was he holding her hand
When he's supposed to be mine

It's my party, and I'll cry if I want to
Cry if I want to, cry if I want to
You would cry too if it happened to you
Brunch Hymnal

Playin' my records, keep dancin' all night
Leave me alone for a while
'Till Johnny's dancin' with me
I've got no reason to smile

It's my party, and I'll cry if I want to
Cry if I want to, cry if I want to
You would cry too if it happened to you

Judy and Johnny just walked through the door
Like a queen with her king
Oh what a birthday surprise
Judy's wearin' his ring

It's my party, and I'll cry if I want to
Cry if I want to, cry if I want to
You would cry too if it happened to you

108 - IT'S NOW OR NEVER
It's now or never, come hold me tight
Kiss me my darling, be mine tonight
Tomorrow will be too late,
it's now or never My love won't wait.
When I first saw you with your smile so tender
My heart was captured, my soul surrendered
I'd spend a lifetime waiting for the right time
Now that your near the time is here at last.
It's now or never, come hold me tight
Kiss me my darling, be mine tonight
Tomorrow will be too late, it's now or never
My love won't wait.
Just like a willow, we would cry an ocean
If we lost true love and sweet devotion
Your lips excite me, let your arms invite me
For who knows when we'll meet again this way
It's now or never, come hold me tight
Kiss me my darling, be mine tonight
Tomorrow will be too late,
it's now or never My love won't wait.

109 - JUST THE WAY YOU ARE
Don’t go changing, to try and please me
You never let me down before
Don't imagine you're too familiar
And I don't see you anymore

I would not leave you in times of trouble
We never could have come this far
I took the good times, I'll take the bad times
I'll take you just the way you are

Don't go trying some new fashion
Don't change the color of your hair
You always have my unspoken passion
Although I might not seem to care

I don't want clever conversation
I never want to work that hard
I just want someone that I can talk to
I want you just the way you are.

I need to know that you will always be
The same old someone that I knew
What will it take till you believe in me
The way that I believe in you.

I said I love you and that's forever
And this I promise from the heart
I couldn't love you any better
I love you just the way you are.

110 - KING OF THE ROAD
Trailer for sale or rent
Rooms to let fifty cents
No phone no pool no pets
I ain't got no cigarettes
Ah but, two hours of pushing broom
Buys a eight by twelve four bit room
I'm a man of means by no means
King of the road

Third bocxcar midnight train
Destination Bangor Maine
Old worn out suit and shoes
I don't pay no union dues
I smoke old stogies I have found
Short but not too big around
I'm a man of means by no means
King of the road
I know every engineer on every train
All of the children and all of their names
And every handout in every town
And every lock that ain't locked when no one's around
I sing trailers for sale or rent...

Rooms to let fifty cents
No phone no pool no pets
I ain't got no cigarettes
Ah but, two hours of pushing broom
Buys a eight by twelve four bit room
Brunch Hymnal

I'm a man of means by no means
King of the road

Trailers for sale or rent
Rooms to let fifty cents
No phone no pool no pets
I ain't got no cigarettes
Ah but, two hours of pushing broom

111 - HARD DAY'S NIGHT
It's been a hard day's night, and I'd been working like a dog
It's been a hard day's night, I should be sleeping like a log
But when I get home to you I find the things that you do
Will make me feel alright

You know I work all day to get you money to buy you things
And it's worth it just to hear you say you're going to give me everything
So why on earth should I moan, cos when I get you alone
You know I feel OK

When I'm home everything seems to be right
When I'm home feeling you holding me tight, tight, yeah

It's been a hard day's night, and I'd been working like a dog
It's been a hard day's night, I should be sleeping like a log
Brunch Hymnal

But when I get home to you I find the things that you do
Will make me feel alright owww

So why on earth should I moan, cos when I get you alone
You know I feel OK

When I'm home everything seems to be right
When I'm home feeling you holding me tight, tight, yeah

It's been a hard day's night, and I'd been working like a dog
It's been a hard day's night, I should be sleeping like a log
But when I get home to you I find the things that you do
Will make me feel alright
You know I feel alright
You know I feel alright

112 - LEAVING ON A JET PLANE
All my bags are packed I'm ready to go
I'm standin' here outside your door
I hate to wake you up to say goodbye
But the dawn is breakin' it's early morn
The taxi's waitin' he's blowin' his horn
Already I'm so lonesome I could die

So kiss me and smile for me
Tell me that you'll wait for me
Hold me like you'll never let me go
Cause I'm leavin' on a jet plane
Don't know when I'll be back again
Oh baby, I hate to go

There's so many times I've let you down
So many times I've played around
I tell you now, they don't mean a thing
Every place I go, I'll think of you
Every song I sing, I'll sing for you
When I come back, I'll bring your wedding ring

So kiss me and smile for me
Tell me that you'll wait for me
Hold me like you'll never let me go
Cause I'm leavin' on a jet plane
Don't know when I'll be back again
Oh babe, I hate to go

Now the time has come to leave you
One more time let me kiss you
Close your eyes I'll be on my way
Dream about the days to come
Brunch Hymnal

When I won't have to leave alone
About the times, I won't have to say

So kiss me and smile for me
Tell me that you'll wait for me
Hold me like you'll never let me go
Cause I'm leavin' on a jet plane
Don't know when I'll be back again
Oh baby, I hate to go

Cause I'm leavin' on a jet plane
Don't know when I'll be back again
Oh baby, I hate to go

113 - LIKE A VIRGIN
I made it through the wilderness
Somehow I made it through
Didn't know how lost I was
Until I found you

I was beat incomplete
I'd been had, I was sad and blue
But you made me feel
Yeah, you made me feel
Brunch Hymnal

Shiny and new

[Chorus:]

Like a virgin
Touched for the very first time
Like a virgin
When your heart beats [after first time, "With your heartbeat"]
Next to mine

Gonna give you all my love, boy
My fear is fading fast
Been saving it all for you
'Cause only love can last

You're so fine and you're mine
Make me strong, yeah you make me bold
Oh your love thawed out
Yeah, your love thawed out
What was scared and cold

[chorus]

Oooh, oooh, oooh
You're so fine and you're mine
I'll be yours 'till the end of time
'Cause you made me feel
Yeah, you made me feel
I've nothing to hide

[chorus]

Like a virgin, ooh, ooh
Like a virgin
Feels so good inside
When you hold me, and your heart beats, and you love me

Oh, oh, oh, oh, oh, oh, oh, oh
Ooh, baby
Can't you hear my heart beat
For the very first time?

114 - THE LION SLEEPS TONIGHT
(A-weema-weh, a-weema-weh, a-weema-weh, a-weema-weh)
(A-weema-weh, a-weema-weh, a-weema-weh, a-weema-weh)

In the jungle, the mighty jungle
The lion sleeps tonight
In the jungle the quiet jungle
The lion sleeps tonight

Near the village the peaceful village
The lion sleeps tonight
Near the village the quiet village
The lion sleeps tonight

Hush my darling don't fear my darling
The lion sleeps tonight
Hush my darling don't fear my darling
The lion sleeps tonight

115 - MORNING TRAIN
I wake up every mornin'
I stumble out of bed
Stretchin' and yawnin'
Another day ahead
It seems to last forever
And time goes slowly by
'Til babe and me's together
Then it starts to fly
'Cos the moment that he's with me
Time can take a flight
The moment that he's with me
Everything's alright
Night time is the right time
We make love
Then it's his and my time
We take off

My baby takes the morning train
He works from nine till five and then
He takes another home again
To find me waitin' for him

He takes me to a movie
Or to a restaurant, to go
Slow dancing
Anything I want
Only when he's with me
I catch a light
Only when he gives me
Makes me feel alright

My baby takes the morning train
He works from nine till five and then
He takes another home again
To find me waitin' for him

All day I think of him
Dreamin' of him constantly
I'm crazy mad for him
And he's crazy mad for me
(Crazy mad for me)
When he steps off that train
I'm makin' a fool, a fight
Work all day to earn his pay
So we can play all night

My baby takes the morning train
He works from nine till five and then
He takes another home again
To find me waitin' for him
He's always on that morning train
Brunch Hymnal

(He works from nine till five and then)
He works so hard
(He takes another home again)
To find me waiting for him

116 - NATURAL WOMAN
Looking out on the morning rain
I used to feel uninspired
And when I knew I had to face another day
Lord, it made me feel so tired
Before the day I met you, life was so unkind
But your love was the key to peace of mind
Cause you make me feel, you make me feel,
You make me feel like a natural woman
When my soul was in the lost-and-found
You came along to claim it
I didn't know just what was wrong with me
Till your kiss helped me name it
Now I'm no longer doubtful of what I'm living for
And if I make you happy I don't need to do more
Cause you make me feel, you make me feel,
You make me feel like a natural woman
Oh, baby, what you've done to me
You make me feel so good inside
And I just want to be close to you
You make me feel so alive
Cause you make me feel, you make me feel,
You make me feel like a natural woman

117 - ON BROADWAY
They say the neon lights are bright on broadway
They say there's always magic in the air
But when you're walkin' down the street
And you ain't had enough to eat
The glitter rubs right off and you're nowhere

They say the women treat you fine on broadway
But lookin' at them just gives me the blues
'Cause how ya gonna make some time
When all you got is one thin dime
And one thin dime won't even shine your shoes

They say that i won't last too long on broadway
I'll catch a grey hound bus for home they all say
But they're dead wrong i know they are
'Cause i can play this here guitar
And i won't quit till i'm a star on broadway

118 - PIANO MAN
It's nine o'clock on a Saturday
The regular crowd shuffles in
There's an old man sitting next to me
Making love to his tonic and gin

He says, "Son can you play me a memory
I'm not really sure how it goes
But it's sad and it's sweet
And I knew it complete
When I wore a younger man's clothes"

Sing us a song you're the piano man
Sing us a song tonight
Well we're all in the mood for a melody
And you've got us feeling alright

Now John at the bar is a friend of mine
He gets me my drinks for free
And he's quick with a joke or to light up your smoke
But there's someplace that he'd rather be

He says, "Bill, I believe this is killing me"
As a smile ran away from his face
"Well, I'm sure that I could be a movie star
If I could get out of this place"
Now Paul is a real estate novelist
Who never had time for a wife
And he's talking with Davy, who's still in the Navy
And probably will be for life

And the waitress is practicing politics
As the businessmen slowly get stoned
Yes they're sharing a drink they call loneliness
But it's better than drinking alone

Sing us a song you're the piano man
Sing us a song tonight
Well we're all in the mood for a melody
And you've got us feeling alright

It's a pretty good crowd for a Saturday
And the manager gives me a smile
'Cause he knows that it's me they've been coming to see
To forget about life for a while

And the piano sounds like a carnival
And the microphone smells like a beer
And they sit at the bar and put bread in my jar
Brunch Hymnal

And say "Man what are you doing here?"

Sing us a song you're the piano man
Sing us a song tonight
Well we're all in the mood for a melody
And you've got us feeling alright

119 - PRETTY WOMAN
Pretty woman, walking down the street
Pretty woman, the kind I like to meet
Pretty woman
I don't believe you, you're not the truth
No one could look as good as you
Mercy

Pretty woman, won't you pardon me
Pretty woman, I couldn't help see
Pretty woman
That you look lovely as can be
Are you lonely just like me
Wow
Pretty woman, stop a while
Pretty woman, talk a while
Pretty woman, gave your smile to me
Pretty woman, yeah yeah yeah
Pretty woman, look my way
Pretty woman, say you'll stay with me
'Cause I need you, I'll trear you right
Come with me baby, be mine tonight

Pretty woman, don't walk on by
Pretty woman, make me cry
Pretty woman, don't walk away, hey...okay
If that's the way it must be, okay
I guess I'll go on home, it's late
There'll be tomorrow nigh, but wait
What do I see
Is she walking back to me
Yeah, she's walking back to me
Oh, oh, Pretty woman

120 - RAINBOW CONNECTION
Why are there so many songs about rainbows
and what's on the other side?
Rainbows are visions, but only illusions,
and rainbows have nothing to hide.
So we've been told and some choose to believe it.
I know they're wrong, wait and see.
Someday we'll find it, the rainbow connection.
The lovers, the dreamers and me.

Who said that every wish would be heard
and answered when wished on the morning star?
Somebody thought of that and someone believed it.
Look what it's done so far.
What's so amazing that keeps us star gazing
and what do we think we might see?
Someday we'll find it, the rainbow connection.
The lovers, the dreamers and me.

All of us under its spell. We know that it's probably magic.

Have you been half asleep and have you heard voices?
I've heard them calling my name.
Is this the sweet sound that called the young sailors.
The voice might be one and the same.
I've heard it too many times to ignore it.
It's something that I'm supposed to be.
Someday we'll find it, the rainbow connection.
The lovers, the dreamers and me.

121 - SAVE THE BEST FOR LAST
Sometimes the snow comes down in June
Sometimes the sun goes round the moon
I see the passion in your eyes
Sometimes it's all a big surprise

'Cause there was a time when all I did was wish
You'd tell me this was love
It's not the way I hoped or how I planned
But somehow it's enough

And now we're standing face-to-face
Isn't this world a crazy place?
Just when I thought our chance had passed
You go and save the best for last

All of the nights you came to me
When some silly girl had set you free
You wondered how you'd make it through
I wondered what was wrong with you

'Cause how could you give your love to someone else
And share your dreams with me
Sometimes the very thing you're looking for
Is the one thing you can't see

But now we're standing face-to-face
Isn't this world a crazy place?
Just when I thought our chance had passed
You go and save the best for last

la da da da - da da.-

Sometimes the very thing you're looking for
Is the one thing you can't see

Sometimes the snow comes down in June
Sometimes the sun goes round the moon
Just when I thought our chance had passed
You go and save the best for last

You went and saved the best for last
Yeah...

122 - SAVING ALL MY LOVE YOU
A few stolen moments is all that we share
Brunch Hymnal

You've got your family, and they need you there
Though I've tried to resist, being last on your list
But no other man's gonna do
So I'm saving all my love for you

It's not very easy, living all alone
My friends try and tell me, find a man of my own
But each time I try, I just break down and cry
Cause I'd rather be home feeling blue
So I'm saving all my love for you

You used to tell me we'd run away together
Love gives you the right to be free
You said be patient, just wait a little longer
But that's just an old fantasy
I've got to get ready, just a few minutes more
Gonna get that old feeling when you walk through that door
For tonight is the night, for feeling alright
We'll be making love the whole night through
So I'm saving all my love
Yes I'm saving all my love
Yes I'm saving all my love for you

No other woman, is gonna love you more
Brunch Hymnal

Cause tonight is the night, that I'm feeling alright
We'll be making love the whole night through
So I'm saving all my love
Yeah I'm saving all my love
Yes I'm saving all my love for you
For you, for you

123 - SING
Sing, sing a song
Sing out loud
Sing out strong
Sing of good things not bad
Sing of happy not sad

(*) Sing, sing a song
Make it simple to last
Your whole life long
Don't worry that it's not
Good enough for anyone
Else to hear
Just sing, sing a song

La la la la la
La la la la la la...
Sing, sing a song
Let the world sing along
Sing of love there could be
Sing for you and for me

124 - SOMEWHERE OUT THERE
Somewhere out there beneath the pale moonlight
Someone's thinking of me and loving me tonight

Somewhere out there someone's saying a prayer
That we'll find one another in that big somewhere out there

And even though I know how very far apart we are
It helps to think we might be wishing on the same bright star

And when the night wind starts to sing a lonesome lullaby
It helps to think we're sleeping underneath the same big sky

Somewhere out there if love can see us through
Then we'll be together somewhere out there
Out where dreams come true

And even though I know how very far apart we are
It helps to think we might be wishing on the same bright star
And when the night wind starts to sing a lonesome lullaby
It helps to think we're sleeping underneath the same big sky

Somewhere out there if love can see us through
Then we'll be together somewhere out there
Out where dreams come true

**125 - STAND BY ME**
When the night has come
And the land is dark
And the moon is the only light we'll see
No I won't be afraid
Oh, I won't be afraid
Just as long as you stand, stand by me

So darling, darling
Stand by me, oh stand by me
Oh stand, stand by me
Stand by me

If the sky that we look upon
Should tumble and fall
Brunch Hymnal

All the mountains should crumble to the sea
I won't cry, I won't cry
No, I won't shed a tear
Just as long as you stand, stand by me

And darling, darling
Stand by me, oh stand by me
Oh stand now, stand by me
Stand by me

So darling, darling
Stand by me, oh stand by me
Oh stand now, stand by me, stand by me
Whenever you're in trouble won't you stand by me
Oh stand by me, oh won't you stand now, stand
Stand by me

126 - SWEET CAROLINE
Where it began,
I can't begin to knowin'
But then I know it's growing strong

Was in the spring
And spring became the summer
Brunch Hymnal

Who'd have believed you'd come along.

Hands, touchin' hands
Reachin' out, touchin' me, touchin' you

Sweet Caroline
Good times never seemed so good
I've been inclined
To believe they never would
But now I...

...look at the night
And it don't seem so lonely
We fill it up with only two.

And when I hurt,
Hurtin' runs off my shoulders
How can I hurt when holding you?

Warm, touchin' warm
Reachin' out, touchin' me, touchin' you

Sweet Caroline
Good times never seemed so good
Brunch Hymnal

I've been inclined,
To believe they never would
Oh, no, no

Sweet Caroline
Good times never seemed so good
Sweet Caroline,
I believe they never could
Sweet Caroline
Good times never seemed so good
Sweet Caroline...

127 - TAKE A CHANCE ON ME
If you change your mind, I'm the first in line
Honey I'm still free
Take a chance on me
If you need me, let me know, gonna be around
If you've got no place to go, if you're feeling down
If you're all alone when the pretty birds have flown
Honey I'm still free
Take a chance on me
Gonna do my very best and it ain't no lie
If you put me to the test, if you let me try
Brunch Hymnal

Take a chance on me
(That's all I ask of you honey)
Take a chance on me

We can go dancing, we can go walking, as long as we're together
Listen to some music, maybe just talking, get to know you better
'Cos you know I've got
So much that I wanna do, when I dream I'm alone with you
It's magic
You want me to leave it there, afraid of a love affair
But I think you know
That I can't let go

If you change your mind, I'm the first in line
Honey I'm still free
Take a chance on me
If you need me, let me know, gonna be around
If you've got no place to go, if you're feeling down
If you're all alone when the pretty birds have flown
Honey I'm still free
Take a chance on me
Gonna do my very best and it ain't no lie
If you put me to the test, if you let me try
Brunch Hymnal

Take a chance on me
(Come on, give me a break will you?)
Take a chance on me
Oh you can take your time baby, I'm in no hurry, know I'm gonna get you
You don't wanna hurt me, baby don't worry, I ain't gonna let you
Let me tell you now
My love is strong enough to last when things are rough
It's magic
You say that I waste my time but I can't get you off my mind
No I can't let go
'Cos I love you so

If you change your mind, I'm the first in line
Honey I'm still free
Take a chance on me
If you need me, let me know, gonna be around
If you've got no place to go, if you're feeling down
If you're all alone when the pretty birds have flown
Honey I'm still free
Take a chance on me
Gonna do my very best, baby can't you see
Gotta put me to the test, take a chance on me
(Take a chance, take a chance, take a chance on me)
Brunch Hymnal

Ba ba ba ba baa, ba ba ba ba baa
Honey I'm still free
Take a chance on me
Gonna do my very best, baby can't you see
Gotta put me to the test, take a chance on me
(Take a chance, take a chance, take a chance on me)

Ba ba ba ba baa, ba ba ba ba baa ba-ba
Honey I'm still free
Take a chance on me

128 - TEENAGER IN LOVE
Each time we have a quarrel
It almost breaks my heart
'Cause I'm so afraid
That we will have to part

Each night I ask the stars up above
Why must I be a teenager in love

One day I feel so happy
Next day I feel so sad
I guess I'll learn
To take the good with the bad

'Cause each night
I ask the stars up above
Why must I be a teenager in love

I cried a tear for nobody but you
I'll be a lonely one
If you should say we're through
Well if you want to make me cry
That won't be so hard to do
If you should say goodbye
I'd still go on loving you

Each night I ask the stars up above
Why must I be a teenager in love

I cried a tear for nobody but you
I'll be a lonely one
If you should say we're through
Well if you want to make me cry
That won't be so hard to do
And if you should say goodbye
I'd still go on loving you
Each night I ask the stars up above
Why must I be a teenager in love
Why must I be a teenager in love
Why must I be a teenager in love
Why must I be a teenager in love

129 - THEME FROM ICE CASTLES (THROUGH THE EYES OF LOVE)
Please, don't let this feeling end
It's everything I am
Everything I want to be
I can see what's mine now
Finding out what's true
Since I found you
Looking through the eyes of love
Now, I can take the time
I can see my life
As it comes up shining now
Reaching out to touch you
I can feel so much
Since I found you
Looking through the eyes of love
And now, I do believe
That even in a storm we'll find some light
Knowing you're beside me, I'm all right
Please, don't let this feeling end
It might not come again
And I want to remember
How it feels to touch you
How I feel so much
Since I found you
Looking through the eyes of love
Way We Were, The
Memories,
Like the corners of my mind
Misty water-colored memories
Of the way we were
Scattered pictures,
Of the smiles we left behind
Smiles we gave to one another
For the way we were
Can it be that it was all so simple then?
Or has time re-written every line?
If we had the chance to do it all again
Tell me, would we? could we?
Memories, may be beautiful and yet
What's too painful to remember
We simply choose to forget
Brunch Hymnal

So it's the laughter
We will remember
Whenever we remember...
The way we were...
The way we were...

130 - THESE BOOTS ARE MADE FOR WALKIN'
You keep saying you've got something for me.
something you call love, but confess.
You've been messin' where you shouldn't have been a messin'
and now someone else is gettin' all your best.
These boots are made for walking, and that's just what they'll do
one of these days these boots are gonna walk all over you.
You keep lying, when you oughta be truthin'
and you keep losin' when you oughta not bet.
You keep samin' when you oughta be changin'.
Now what's right is right, but you ain't been right yet.
These boots are made for walking, and that's just what they'll do
one of these days these boots are gonna walk all over you.
You keep playin' where you shouldn't be playin
and you keep thinkin' that you'll never get burnt.
Ha! I just found me a brand new box of matches yeah
and what he know you ain't HAD time to learn.
Are you ready boots? Start walkin'!
131 - TIME AFTER TIME
Lying in my bed I hear the clock tick,
And think of you
Caught up in circles confusion -
Is nothing new
Flashback - warm nights -
Almost left behind
Suitcases of memories,
Time after -

Sometimes you picture me -
I'm walking too far ahead
You're calling to me, I can't hear
What you've said -
Then you say - go slow -
I fall behind -
The second hand unwinds

[Chorus:]
If you're lost you can look - and you will find me
Time after time
If you fall I will catch you - I'll be waiting
Time after time
After my picture fades and darkness has
Turned to gray
Watching through windows - you're wondering
If I'm OK
Secrets stolen from deep inside
The drum beats out of time -

[Chorus:]
If you're lost...

You said go slow -
I fall behind
The second hand unwinds -

[Chorus:]
If you're lost...
...Time after time
Time after time
Time after time

132 - TOP OF THE WORLD
Such a feelin's comin' over me
There is wonder in most everything I see
Not a cloud in the sky
Got the sun in my eyes
And I won't be surprised if it's a dream
Everything I want the world to be
Is now coming true especially for me
And the reason is clear
It's because you are here
You're the nearest thing to heaven that I've seen

I'm on the top of the world lookin' down on creation
And the only explanation I can find
Is the love that I've found ever since you've been around
Your love's put me at the top of the world

Something in the wind has learned my name
And it's tellin' me that things are not the same
In the leaves on the trees and the touch of the breeze
There's a pleasin' sense of happiness for me

There is only one wish on my mind
When this day is through I hope that I will find
That tomorrow will be just the same for you and me
All I need will be mine if you are here
I'm on the top of the world lookin' down on creation
And the only explanation I can find
Is the love that I've found ever since you've been around
Your love's put me at the top of the world

133 - UNDER THE BOARDWALK
Oh, when the sun beats down and burns the tar up on the roof
And your shoes get so hot you wish your tired feet were fire-proof
Under the boardwalk, down by the sea, yeah
On a blanket with my baby is where I'll be

(Under the boardwalk) out of the sun
(Under the boardwalk) we'll be havin' some fun
(Under the boardwalk) people walking above
(Under the boardwalk) we'll be falling in love
Under the board-walk (board-walk!)

From the park you hear the happy sound of a carousel
Mm-mm, you can almost taste the hot dogs and French fries they sell
Under the boardwalk, down by the sea
On a blanket with my baby is where I'll be

(Under the boardwalk) out of the sun
(Under the boardwalk) we'll be havin' some fun
(Under the boardwalk) people walking above
(Under the boardwalk) we'll be falling in love
Under the board-walk (board-walk!)

Ooooh, under the boardwalk, down by the sea, yeah
On a blanket with my baby is where I'll be

(Under the boardwalk) out of the sun
(Under the boardwalk) we'll be havin' some fun
(Under the boardwalk) people walking above
(Under the boardwalk) we'll be falling in love
Under the board-walk (board-walk!)

134 - WE ARE FAMILY
We are family
I got all my sisters with me
We are family
Get up ev'rybody and sing

Ev'ryone can see we're together
As we walk on by
(FLY!) and we fly just like birds of a feather
I won't tell no lie
(ALL!) all of the people around us they say
Can they be that close
Just let me state for the record
We're giving love in a family dose

(CHORUS x2)

Living life is fun and we've just begun
To get our share of the world's delights
(HIGH!) high hopes we have for the future
And our goal's in sight
(WE!) no we don't get depressed
Here's what we call our golden rule
Have faith in you and the things you do
You won't go wrong
This is our family Jewel

135 - WE BUILT THIS CITY
We built this city, we built this city on rock and roll
Built this city, we built this city on rock and roll

Say you don't know me or recognize my face
Say you don't care who goes to that kind of place
Knee deep in the hoopla sinking in your fight
Brunch Hymnal

Too many runaways eating up the night

Marconi plays the mamba, listen to the radio, don't you remember
We built this city, we built this city on rock and roll

Chorus:
We built this city, we built this city on rock and roll
Built this city, we built this city on rock and roll

Someone always playing corporation games
Who cares they're always changing corporation names
We just want to dance here someone stole the stage
They call us irresponsible write us off the page

Marconi plays the mamba, listen to the radio, don't you remember
We built this city, we built this city on rock and roll

We built this city, we built this city on rock and roll
Built this city, we built this city on rock and roll

It's just another Sunday, in a tired old street
Police have got the choke hold, oh then we just lost the beat

Who counts the money underneath the bar
Brunch Hymnal

Who rides the wrecking ball in to our rock guitars
Don't tell us you need us, 'cos we're the ship of fools
Looking for America, coming through your schools

(I'm looking out over that Golden Gate bridge
Out on another gorgeous sunny Saturday, not seein' that bumper to bumper traffic)

Don't you remember ('member)('member)

(It's your favorite radio station, in your favorite radio city
The city by the bay, the city that rocks, the city that never sleeps)

Marconi plays the mamba, listen to the radio, don't you remember
We built this city, we built this city on rock and roll

We built this city, we built this city on rock and roll
Built this city, we built this city on rock and roll
Built this city, we built this city on rock and roll
Built this city, we built this city on rock and roll

(We built, we built this city) built this city (We built, we built this city)

136 - WE'VE ONLY JUST BEGUN
We've only just begun to live
White lace and promises
A kiss for luck and we're on our way
We've only begun

Before the risin' sun, we fly
So many roads to choose
We'll start out walkin' and learn to run
And yes, we've just begun
Sharing horizons that are new to us
Watching the signs along the way
Talkin' it over, just the two of us
Workin' together day to day, together

And when the evening comes, we smile
So much of life ahead
We'll find a place where there's room to grow
And yes, we've just begun
Sharing horizons that are new to us
Watching the signs along the way
Talkin' it over, just the two of us
Workin' together day to day, together, together

And when the evening comes, we smile
So much of life ahead
We'll find a place where there's room to grow
And yes, we've just begun

137 - WILL YOU STILL LOVE ME TOMORROW
Tonight you're mine completely
You give you love so sweetly
Tonight the light of love is in your eyes
But will you love me tomorrow?

Is this a lasting treasure
Or just a moment's pleasure?
Can I believe the magic of your sighs?
Will you still love me tomorrow?

Tonight with words unspoken
You say that I'm the only one
But will my heart be broken
When the night meets the morning sun?

I'd like to know that your love
Is love I can be sure of
So tell me now, and I won't ask again
Will you still love me tomorrow?
So tell me now, and I won't ask again
Will you still love me tomorrow?
Will you still love me tomorrow?
Will you still love me tomorrow?

138 - WIND BENEATH MY WINGS
Oh, oh, oh, oh, oh.
It must have been cold there in my shadow,
to never have sunlight on your face.
You were content to let me shine, that's your way.
You always walked a step behind.

So I was the one with all the glory,
while you were the one with all the strength.
A beautiful face without a name for so long.
A beautiful smile to hide the pain.

Did you ever know that you're my hero,
and everything I would like to be?
I can fly higher than an eagle,
'cause you are the wind beneath my wings.

It might have appeared to go unnoticed,
but I've got it all here in my heart.
I want you to know I know the truth, of course I know it.
I would be nothing without you.

Did you ever know that you're my hero?
You're everything I wish I could be.
I could fly higher than an eagle,
'cause you are the wind beneath my wings.

Did I ever tell you you're my hero?
You're everything, everything I wish I could be.
Oh, and I, I could fly higher than an eagle,
'cause you are the wind beneath my wings,
'cause you are the wind beneath my wings.

Oh, the wind beneath my wings.
You, you, you, you are the wind beneath my wings.
Fly, fly, fly away. You let me fly so high.
Oh, you, you, you, the wind beneath my wings.
Oh, you, you, you, the wind beneath my wings.

Fly, fly, fly high against the sky,
so high I almost touch the sky.
Thank you, thank you,
thank God for you, the wind beneath my wings.
139 - YMCA
Young man, there's no need to feel down.
I said, young man, pick yourself off the ground.
I said, young man, 'cause you're in a new town
There's no need to be unhappy.

Young man, there's a place you can go.
I said, young man, when you're short on your dough.
You can stay there, and I'm sure you will find
Many ways to have a good time.

It's fun to stay at the Y.M.C.A.
It's fun to stay at the Y.M.C.A.

They have everything for you men to enjoy,
You can hang out with all the boys ...

It's fun to stay at the Y.M.C.A.
It's fun to stay at the Y.M.C.A.

You can get yourself clean, you can have a good meal,
You can do whatever you feel ...

Young man, are you listening to me?
Brunch Hymnal

I said, young man, what do you want to be?
I said, young man, you can make real your dreams.
But you got to know this one thing!

No man does it all by himself.
I said, young man, put your pride on the shelf,
And just go there, to the Y.M.C.A.
I'm sure they can help you today.

It's fun to stay at the Y.M.C.A.
It's fun to stay at the Y.M.C.A.

They have everything for you men to enjoy,
You can hang out with all the boys...

It's fun to stay at the Y.M.C.A.
It's fun to stay at the Y.M.C.A.

You can get yourself clean, you can have a good meal,
You can do whatever you feel ...

Young man, I was once in your shoes.
I said, I was down and out with the blues.
I felt no man cared if I were alive.
I felt the whole world was so jive ...

That's when someone came up to me,
And said, young man, take a walk up the street.
There's a place there called the Y.M.C.A.
They can start you back on your way.

It's fun to stay at the Y.M.C.A.
It's fun to stay at the Y.M.C.A.

They have everything for you men to enjoy,
You can hang out with all the boys...

Y.M.C.A....you'll find it at the Y.M.C.A.

Young man, young man, there's no need to feel down.
Young man, young man, get yourself off the ground.

Y.M.C.A....you'll find it at the Y.M.C.A.

Young man, young man, there's no need to feel down.
Young man, young man, get yourself off the ground.

Y.M.C.A....just go to the Y.M.C.A.
Young man, young man, are you listening to me?
Young man, young man, what do you wanna be?

140 - YOU LIGHT UP MY LIFE
So many nights I'd sit by my window, Waiting for someone To sing me his song. So many dreams I've kept deep inside me. Alone in the dark But now you've come along.
And you Light up my life. You give me hope To carry on. You light up my days And fill my nights With song. Rolling at sea, Adrift on the waters. Could it be finally I'm turning for home? Finally, a chance To say, "Hey, I love you," Never again To be all alone.
(Chorus x2)
It can't be wrong, When it feels so right. 'Cause you... You light up my... Life

141 - YOU'VE GOT A FRIEND
When you're down and troubled and you need a helping hand and nothing, whoa, nothing is going right. Close your eyes and think of me and soon I will be there to brighten up even your darkest nights.

You just call out my name, and you know where ever I am I'll come running to see you again. Winter, spring, summer, or fall, all you have to do is call and I'll be there, yeah, yeah,
you've got a friend.

If the sky above you should turn dark and full of clouds and that old north wind should begin to blow, keep your head together and call my name out loud. Soon I will be knocking upon your door. You just call out my name, and you know where ever I am I'll come running to see you again. Winter, spring, summer, or fall, all you have to do is call and I'll be there.

Hey, ain't it good to know that you've got a friend? People can be so cold. They'll hurt you and desert you. Well, they'll take your soul if you let them, oh yeah, but don't you let them.

You just call out my name, and you know where ever I am I'll come running to see you again. Winter, spring, summer, or fall, all you have to do is call, Lord, I'll be there, yeah, yeah, you've got a friend. You've got a friend. Ain't it good to know you've got a friend. Ain't it good to know you've got a friend. Oh, yeah, yeah, you've got a friend.
